10 Injured in 2 Wrecks On Rain-Soaked CC Roads

Rain, slick pavements, excessive speed and following too closely were directly responsible for two separate accidents and a total of 10 persons injured in Contra Costa's heaviest rain storm of the season, according to the California Highway Patrol.

Wednesday at 3 p.m. during a downpour 15 feet east of the Broadway Tunnel, the car of Fred Wissach, 1024 Hook Avenue, Pleasant Hill, skidded out of control, jumped the dividing strip and met head-on with the car of Allan Korahn, 125 Luella Drive, Pleasant Hill, according to a CHP report.

THE WISSACH car then sideswiped the vehicle of Virginia Agee of Berkeley. Citations have been issued against Wissach for excessive speed and crossing the dividing line, said the CHP.

Injured were Jackqulin Wissach, 10 months; Jay Wissach, 20 months; Blanche Wissach, 44, and Fred Wissach, driver. Others injured and taken to Kaiser Hospital in Walnut Creek by Walnut Creek Ambulance were Mrs. Clarence Tantau of Oakland, a passenger in the Agee car and Allen Korahn.

Two hours later, at Mt. Diablo Boulevard at the junction of Acalanes Road, the car of John Walker, 1304 Rudgear Road, Walnut Creek, hit the tail end of the car of Marguerite Parissh, said the CHP.

MRS. PARISSH said she was making a left hand turn into Acalanes Road when the Walker car hit her. Injured were Frank Keggler, Mrs. Parissh, Walker and another passenger in the Walker car.

Walker noted to the highway patrol he thought that the Parissh car was going to make a right turn and suddenly stopped. He skidded on the wet pavement. Both cars were going approximately 45-45 miles per hour, stated the CHP report.

Walker was cited for following too closely, according to William Hamilton of the CHP.

RAIN CAUSED little damage in Central Contra Costa, other than to slicken roads and carry some silt down gutters and storm drains, according to the Contra Costa Public Works Department. The heaviest rainfall was reported in Orinda, with Lafayette, Walnut Creek, Pleasant Hill, closely behind in that order.

The Orinda rainfall Wednesday night for 1.67 inches; Lafayette 1.53 inches, according to East Bay Municipal Utility District; 1.44 for Walnut Creek and 1.26 for Pleasant Hill. The Pleasant Hill report is unofficial.

Flu Spreads from PH to WC; Post Office Hit Hard

The flu bug worked its way from Pleasant Hill to Walnut Creek this week and put about 50 percent of the Post Office Department's employees in bed, while it hit Las Lomas High School and other schools in the city.

Schools in Lafayette and Orinda reported higher absenteeism this week than the two previous weeks when schools in the Mt. Diablo Unified School District reported peak absenteeism.

Lloyd Frost, chief of the Division of Health, Education, noted the disease, whether Asian Flu or some other respiratory disease, is spreading rapidly.

"The illness is so mild that many children are not seen by a doctor," he commented.

"NO COMPLICATIONS have come to our attention to date," he continued.

A reasonable supply of Asian Flu vaccine has been promised by the manufacturers in October. The public health authorities, federal, state or local, are not controlling the distribution of the vaccine.

"The vaccine is distributed by the pharmaceutical companies through regular commercial channels. As long as the vaccine supply is limited, doctors will receive an allocation on the basis of population, Frost said.

No mass immunization clinics in Contra Costa County are planned by the Health Department.

"It is the consensus of national and state public health authorities that individuals who desire vaccination against Asian Flu seek care from their private physician or usual source," said Frost.

"Outbreaks of influenza in institutions or closed groups must be reported by law. Sporadic cases have not been reported for many years," Frost warned.

"THE HEALTH Department is interested in the spread of any illness including Asian Flu and hence would appreciate information of an unusual number of cases of any illness," he concluded.

Complications of the Asian Flu, as with any respiratory infection, are bronchitis, pneumonia, ear infections and sinus trouble, according to a Pleasant Hill physician.

"Vaccinations for regular flu which have been on the market for several years, are of no value in combating the Asian or Adeno strains," he concluded.

The Sun contacted several area doctors asking them if they had enough vaccine to take care of their practices. One commented he had none whatsoever; another doctor stated he had a small supply and expected more within the next month; another quoted his supplier as stating that he could furnish the doctor with all the vaccine he could use for his practice within two weeks.

One doctor informed The Sun there were two strains of virus which most people are suffering from at the present time. One, the so-called Asian Flu for which there is a vaccine, and the other Adeno Virus, which is very similar to the Asian strain with the exception there is no vaccine to combat it.

The vaccine against Asian flu takes about two weeks to become effective. To many persons now suffering from the malady, the vaccine would give little relief.

Bus Service Plea Turned over to Area Committee

A request for school bus service by residents of Warford Mesa was turned over to the Acalanes Area Transportation Committee by Trustees of the Orinda School District October 3.

A delegation of parents appeared at the trustee meeting to ask the transportation service for 22 children in the subdivision.

In other action, the board discussed a new education code ruling requiring tuberculosis examinations for district employees every two years.

Season Rainfall Total Now 3.57"

The rain clouds formed over Orinda this past week and shed more than a hatful of rain over the local terrain.

The total rainfall for the week was 1.91 inches bringing the season's total to 3.27 inches since the start of weather year July 1.

Temperatures remained mild to cool with the mercury stick rising as the rain started to fall. Here is the weather chart for the past week.

Church Members Agree to Land Swap with Assn.

The congregation of the Orinda Community Church agreed Sunday night to purchase 15 acres at the northwest corner of Orinda Highway and Orinda Interchange near Mt. Diablo Boulevard and to deed eight acres to the Orinda Association for a community center.

In exchange, the association will turn over to the church 5.5 acres of the existing community center site, near the Orinda School. The church already owns 1.3 acres adjacent to the community center.

THE DIRECTORS of the Orinda Association approved the transfer in a split vote last week.

The purpose of the trade is to put the church in possession of the 5½ acres, which are adjacent to its present property, for purposes of expansion, and also to obtain the two parcels now owned by East Bay Municipal Utility District for the association.

The association plans to develop one or both as a community center.

A direct purchase by the association is impossible since it does not have the ready cash, so the trade was proposed by Everett Howe, chairman of the church building committee.

BEFORE THE VOTE of the Orinda Association was taken, several association members spoke against the arrangements. In favor were Bob Walpole, Dorothy Adie, Claire Ward and Marvin Baker.

Gene Estes, Art Flint and Holland DuBois voted against. Not present were Directors Fred Twining and Norman Cunningham.

THE ASSOCIATION will also receive an easement on the seven-acre parcel avoiding the need for securing an access road to the eight acres.

Cost of the eight acres as originally offered by EBMUD to the association was $3500 per acre, with the provision that a 600-foot road be developed according to county standards.

The EBMUD land is on the northwest quadrant of the Orinda Crossroad, across the Orinda Highway from the Pine Grove. EBMUD will retain another 32-acre parcel in the area.

The church recently offered $30,000 for the 5½ acres of association land.

During the association meeting, attended by nearly 50 persons, Edgar Stewart said that he was concerned about the cost of bringing the new parcel up to specifications.

Flint also questioned the procedure, mentionng the possibility that the Bay Area Rapid Transit District might some day place a passenger station there.

Rotary Inducts 4 New Members

Four new members were inducted by the Orinda Rotary Club at its luncheon meeting at Orinda Willows Wednesday.

They were Alfred M. Pettler, owner of Pettler Advertising Agency, Orinda; James Henricksen, partner in Orinda Motors; Thomas B. Snow, co-owner of Casa Orinda, and Irving Moore, owner and operator of Orinda Willows.

At the induction ceremony Merle Brown, who was the first president of Orinda Rotary (1949-50), introduced Pettler and Henricksen; Leighton MacGregor, a past president, introduced Snow, and Ramsay Underwood, immediate past president, introduced Moore.

President Robeson Smith presided at Wednesday's meeting.

At next Wednesday's 12:15 p.m. Rotary meeting at Orinda Willows, Harold Bryant, club secretary, will speak on "A Summertime Serendipity." Joseph Longacre will be program chairman.

Bryant describes "serendipity" as the unexpected experiencing of good things as one goes through life.

Lowest Gas Prices In Many-a-Year Are Recorded Here

Contra Costa's on-again-off-again gas war prices dropped to an all-time low this week as two stations displayed 26.4 cents per gallon prices.

The gas war which has been going spasmodically for approximately a year, broke out anew several weeks ago. Prices increased slightly in Oakland and San Francisco and remained stable in the central county area.

SUDDENLY WEDNESDAY morning, two stations, one in Pleasant Hill and the other in Lafayette, displayed the 26.4 cents signs. This price was 1.5 cent lower than so called "cut rate" stations.

Premium grade gasoline prices were fluctuating too with prices ranging from 30.9 to 36.2. Most stations were selling ethyl for 33.9.

Other stations were attracting customers by offering "bargains" in lubrication and wash jobs. Free pick up and delivery service is being offered by stations in Pleasant Hill and Orinda.

Walnut Creek stations are offering everything from Blue Chip stamps to cut gasoline prices to attract customers, said one distributor in Walnut Creek.

OAKLAND PRICES seem to be anywhere from .3 cents lower to 4.3 cents higher than local prices. San Francisco prices range approximately the same in comparison with Oakland and Contra Costa prices at the present.

Safety Committee OK Traffic Survey

The current Contra Costa cities-county-state thoroughfares study and others like it today have the unqualified endorsement of the Eighth Annual California Governor's Traffic Safety Conference, following a Sacramento meeting at which there was adopted a resolution urging leadership in all areas to provide coordinated city, county and state transportation systems.

Mark Kermit, traffic engineer of this county's Public Works Department, who is actively working on the current Contra Costa survey, attended the Sacramento council meeting last week.

"There was marked interest in the Contra Costa survey," Kermit reports. "Delegates express profound interest in all details of the program that centers in responses to be made here by owners of 160,000 automobiles to whom there have been directed post card questionnaires on their travel habits.

"All delegates expressed interest in the results that may be obtained. These results are entirely dependent on responses made to questionnaires."

Victor W. Sauer, director of the department, added: "There has been a vast amount of effort put into this survey to better serve the public. I hope every automobile owner will recognize his importance in planning future highways and immediately make response to the questionnaires."

The resolution adopted by the safety conference follows:

"WHEREAS, community growth in California continues to accelerate at a rate amounting to a population increase of revolutionary proportions.

"WHEREAS, the attendant explosive increase in the number of motor vehicles is creating problems which demand a review of present traffic safety and highway programs,

"NOW THEREFORE BE IT RESOLVED, that street and highway engineering authorities at every level of government be encouraged to provide technical knowledge, leadership, and assistance toward the establishment of a coordinated city, county and state street and highway transportation system.

"With the realization that traffic is not limited to political boundary lines, each legislative body is urged to authorize, and to support the engineer in, a program of cooperative highway planning with other jurisdictions to the end that each proposed highway improvement project becomes, first, a part of a local integrated system, and secondly, a part of an over-all integrated system.

Protest Hearing Set vs. 2-County Transit District

A public hearing to renew protests of citizens and civic organizations to the Alameda - Contra Costa Counties Transit District, formed by the voters last November 6, will be held by the Contra Costa County Supervisors at 1:30 p.m. Wednesday.

The supervisors set the meeting at the request of the Contra Costa Transit Council, a group of private citizens which has filed suit in an effort to void the district.

The supervisors directed that telephone or telegraphic invitations be sent officers of more than 150 civic and improvement clubs and chambers of commerce they felt might be interested in filing protests with the State Attorney General.

The attorney general last July granted the council permission to sue to test legality of the two-county district in Richmond, San Pablo and the unincorporated area of Contra Costa County.

He ruled that the method of counting absentee ballots cast in the two cities might be reviewed by the courts as well as the method of determining whether those sectors of the unincorporated territory which should be included within its boundaries.

Supervisor Warren G. Buchanan of Pittsburg questioned the benefit to be gained by holding a protest meeting, while the suit was pending.

Attorney George Gordon, representing the council, said he is preparing an amended complaint in line with the attorney general's July ruling and that he thought the public hearing was proper.

He said it would be "healthy to inform the public on points about which there is confusion."

Motion for the hearing was made by Second District supervisor Mel Nielsen. He commented the unincorporated areas are in the transit district whether or not they like the idea.

The unincorporated areas included are Pleasant Hill, Lafayette, Orinda, Crockett, Rodeo, Ygnacio Valley and others.

Specialists, Mothers Will Get Acquainted

The Orinda Mothers Club will hold its first meeting of the year Tuesday at 10 a.m. in the Orinda School auditorium.

President Mrs. James Irwin will introduce Joseph L. Sheaff, Orinda School District superintendent, and Glenn McNicholas, district, director of education, who in turn will present the panel of special personnel in the Orinda Union School District this year.

These people are Mrs. Margo Bengston, health consultant in Orinda; Mrs. Theresa Kops, remedial teacher in the county; Mrs. Georgia Cooper, speech consultant in Orinda; Harlan Lewis, guidance consultant in the county; Gerald Meeder, music department head; Mrs. Florence Rossi, art department; Mrs. Alice Fredericks, librarian, and Frank Isola, head of the physical education and recreation department.

William Gaskill, principal of the Orinda School and civil defense coordinator for the district, will explain the fire and disaster drills, with Orinda pupils demonstrating them.

Commuters Association Elects Seven Directors

Seven directors were elected for two-year terms at the annual membership meeting of the Contra Costa County Commuters Association Tuesday night in Room 206 of Acalanes High School.

The seven are Albert Fuller of Concord, Dave Comstock of Walnut Creek, Edgar May of Orinda.

Tedeman was reelected; he s Richard Tiedeman of Lafayette, A. S. McGookin of Martinez, John O'Neill of Walnut Creek and Ray McNairy of Lafayette.

Tiedeman was reelected; he is the current president of the organization and has just completed a two-year term as director.

The other six are new on the board.

THE SEVEN who were elected Tuesday night join eight holdover directors on the 15-member board. The eight holdovers, who have another year to serve as directors, are R. D. Buffington, Bill Chilcote Hugh Forest, Douglas Kelley, Henry Norris, Lou Presson, Dave Moses and Vic Kingston.

The newly contituted 15-member Board of Directors will elect officers at the association's organization meeting November 12, 8 p.m., in Room 206 of Acalanes High School. At that session the new president will appoint committee chairmen.

Until then the current officers will remain in their positions—Tiedman as president, Ray E. Smith as vice-president, Kingston as acting secretary and Presson as treasurer.

Smith is an outgoing director, as is Lerow Sowers, who served as nominating committee chairman.

BESIDES ELECTING new directors, the membership heard short talks on the Alameda-Contra Costa County Transit District by two of its directors, Colonel Robert M. Copeland and Robert K. Barber.

The members also were addressed by Marston Campbell of Oakland, who argued for removal of rails from the San Francisco-Oakland Bay Bridge asked the association to prepare a campaign against any transit district bond issue and declared that private enterprise could serve the Bay Area better than could a publicly owned transit district.

A REPRESENTATIVE of the Eastshore Lines told of plans to establish bus service between Lafayette and Berkeley.

At present Eastshore Lines operates service between Lafayette and Orinda, via Moraga.

The firm has applied to the California Public Utilities Commission for a franchise to extend its operations to Berkeley.

Orinda AAUW Sections Will Meet Next Week

Five section meetings of the Orinda branch of the American Association of University Women have been scheduled for next week.

On Monday at 8 p.m. Supervisor Mel Nielsen will speak on "County Problems as Seen by a Supervisor," at the contemporary problems section. They will meet at the home of Mrs. Carl R. Moore, 221 Overhill Road. Section members are invited to bring husbands and guests. Mrs. John Riner is chairman.

The book section will meet Tuesday at 10 a.m. at the home of Chairman Mrs. J. W. Door, 38 Oakwood. Following a brief coffee session, Mrs. Door will give a book review of "The First Train to Babylon," by Max Erlich. Guests are welcome.

THE BRIDGE section will also meet Tuesday, at 8 p.m., at the home of Mrs. K. E. Zarker, 18 Lavenida. According to Mrs. J. L. Gilmore, chairman, a beginners' bridge section may also be formed. Members who are interested may phone her.

Mrs. A. P. Stack, chairman for the applied arts section, has announced a meeting of this section on Wednesday at 1 p.m. at her home, 11 Mira Loma. Members will participate in making place mats from wax paper and materials collected.

The first meeting of the Spanish section will be held on Thursday at 12:30 p.m. at the home of Chairman Mrs. R. S. Schmidt, 42 Don Gabriel.

AN ORIENTATION coffee hour to explain the association and its activities to new and prospective members is scheduled for Wednesday at 10 a.m. at the home of Mrs. J. C. Roberts, 40 Robert Road.

All women who hold approved degrees from colleges and universities approved for AAUW membership are invited to join the association. For further information interested women may call Mrs. Roberts.

Mrs. F. A. Leibold, president, announces that Mrs. Herbert Ward has been appointed historian.

Orinda Rangers Take Trail Ride

The Orinda Rangers, local horsemen's group, held their annual overnight trail ride last weekend. They left on their horses Saturday noon from their barn at Oak Springs, rode along Orinda Highway to Bear Creek Road and then went to the Henry Duarte ranch near Alhambra Valley Road an dthe Briones School.

There they had a barbecue and camped overnight. They rode back to Orinda Sunday.

Making the trip to the ranch were Ed Murray, trailmaster and Rangers vice-president; his wife, Elsie; Walter Christie, president; Clarence Betz, secretary-treasurer, and youngsters D'Ann Christie, Laurie Gail Christie and Berry Hutchinson. On the return trip the Murrays' daughter Susan, substituted for Mrs. Marray, and young Walter Christie Jr. substituted for Laurie Gail Christie.

Guests at the Saturday night barbecue included Don and Elva Hutchinson and their daughter, Holly, who are ranger members, and friends of theirs, Mr. and Mrs. Paul Shea of Fresno; also, Mr. and Mrs. Henry Duarte and their four children.

Hilltop Garden Club Will Meet

The Hilltop Garden Club of Orinda will hold its regular monthly meeting at 10:30 a.m. next Wednesday at the home of Mrs. Alfred P. Reck, 15 Los Dedos. Mrs. Charles L. Ward will be co-hostess.

Stewart Wade of Orchard Nursery will demonstrate and discuss the advantages of indoor and outdoor planters.

Orinda 'City' To Be Topic at 10 A.M. Session

Public hearing on the proposed incorporation of Orinda as a city is scheduled to start at 10 a.m. next Tuesday before the County Board of Supervisors in Martinez.

According to Ernest Spiegl, general chairman of the Orinda Association's incorporation committee, the supervisorial hearngs will probably be completed before November 7.

"By that tme the Board of Supervisors should have a date for an election on whether the people of Orinda want Orinda to be incorporated as a city," he said.

Spiegl explained that candidates for councilmen cannot be nominated until after the election date is set.

IT IS EXPECTED that an election will be held in January. In order for the new city of Orinda to be on the 1958-59 tax rolls, the city must be established by February 1.

Petitions asking the Board of Supervisors to schedule an election were circulated under the auspices of the Orinda Association and were filed with the county by the association.

However, the present association board has not taken any official stand or against incorporation.

AT A RECENT meeting of the newly formed Citizens Research Committee on Orinda Incorporation—which, under the acting chairmanship of Lindsey Spight, includes proponents and opponents of incorporation—Spiegl explained that requests to the Board of Supervisors for territorial exemptions may be made after next Tuesday.

Spight explained that at the election the electorate will vote on three matters.

1. Whether Orinda wishes to incorporate as a city.

2. If it incorporates, does Orinda want a city manager form of government?

3. Selection of five councilmen.

THE CITIZENS RESEARCH Committee has scheduled another working conference for October 23, 8 p.m., in Fellowship Hall of Orinda Community Church.

"We hope to start reaching some conclusions and maybe some preliminary recommendations at the October 23 meeting," Spight said.

Spight added that the Citizens Research Committee hopes to present a complete report at general public meetings "while nominations can still be made for councilmen."

School District Boundary Change Approved Tues.

School boundary changes in the Orinda-Moraga area were approved Tuesday in Martinez by the Contra Costa Boundary Commission.

The change is in the vicinity of Ivy Drive and St. Mary's Road which was approved at the request of Deputy District Attorney Charles Hemmings. Approximately 50 homes will be affected by the transfer. A total of 90 acres is involved.

The Moraga district will get 20 more acres than it will lose.

Orindans Pledged At U. of Oregon

Formal fall term rushing for men's houses on the university campus of the University of Oregon was concluded September 28 with 334 men pledged by the fraternities. Among the pledges were Harold E. Ecklund, Sigma Nu, and Frederick F. Peacock, Tau Kappa Epsilon, both from Orinda.

Voters Can Register at Fire Stations

Persons who wish to register for voting may do so at any of the three Orinda fire houses un to 9 p.m. daily, including Saturdays and Sundays, Clarence Betz, secretary and finance officer of the Orinda Fire District, announced yesterday.

Betz said that the Orinda fire commissioners had asked him to inform the public, through The Sun, that the fire department is offering this service.

Locations of the three Orinda fire houses are as follows:

Station 1, Avenida De Orinda, in Orinda Village; Station 2, Moraga Highway and Orchard Road; Station 3, Honey Hill Road and Via Las Cruces.

Evening Recreation Is On for Adults, Youth

A full schedule of recreation activities is planned and underway by the Orinda Union School District Evening Recreation Program, according to Frank Isola, director.

Adult recreation includes the following:

First and third Mondays, folk and square dancing from 8 to 10 p.m.

Second and fourth Mondays, volleyball for men and women from 8 to 10 p.m.

First and third Tuesdays, badminton for men and women, 8 to 10 p.m.

Second and fourth Tuesdays, seventh grade dance class, 7:30 to 9 p.m. at Pine Grove School.

The dance class will be a class of instruction social dancing, ballroom etiquette, personal grooming, etc., said Isola. Parents are requested to pick up their children at 9 p.m. sharp.

The organizational meeting of the Miramonte Teen Age Club will be held held Wednesday at 7:30 p.m. in the Pine Grove School multipurpose room. The clubs are open to all teenagers attending Miramonte High School.

A Pine Grove Teen Club will be organized in January.

The evening recreation program started Monday.

Talent Show Set by Club

Miramonte High School's newly formed Drama Club discussed plans for a talent show to be presented October 25 at the local high school. Announcements of auditions for participants will be made in the near future, said Miss Jacobsen, club's advisor.

The Drama Club got off to an "active" start by holding a cake sale in the "Memorial Circle" in order to garner funds for the oncoming talent show.

Newly elected officers of the drama club are Linda Hart, president; Sharon Gillespie, vice-president; Devra Abend, secretary.

Color Slides Shown at Meet

Color slides of Madrid, the gardens of El Alhambra, general life and bullfighting highlighted a recent Miramonte High School Spanish Club meeting.

Miss Doris Van Dam, club advisor, who took the pictures on her trip to Spain last summer, gave a running commentary on each of the slides, explaining the traditions, customs, religions, dress; and, in the case of the bullfight, described the maneuvers of the matadors.

A short business meeting preceded the entertainment, with Miss Babette Ambler, newly elected president, in charge. Future plans discussed were a costume dance, attending a Spanish movie, partaking of a Spanish dinner and a Christmas party.

Party week for chic clique

THE HOUSE IN THE WOODS, the spanish-styled home of the Woodburn Lambs on Oak Arbor Rd. was the pretty setting Saturday night for a very plush party to benefit the Children's Hospital of the East Bay.

Members and guests of the Orinda Branch enjoyed dancing to a Dixieland Band which played on the enormous patio adjoining the house . . . the evening was cool and comfortable and unlike last year, (thundershowers!) remained dry throughout the party hours. The profusion of gala cocktail clothes and mink stoles made it a very glamorous affair and particularly stunning was the hostess Evie Lamb in a green satin cocktail dress.

The Robert McFarlands arrived w/their houseguest in tow—Alan McFarland, Bob's cousin, visiting here from Philadelphia—and joining THEM were Yvonne and Jay Meyer who had gathered for earlier libations at the McFarland's Happy Valley home.

Pat and Ralph Hill (they have twin boys about 6 mos. old), the Ramsey Underwoods, Jane and Bob Jurs (now living in Lafayette), Shirley and Hy Hennings and Kathy and Bob Norman were just a few of those applauding Sue Dougery who drew an admiring audience when she sang w/the orchestra. She and Ed coming in from Happy Valley w/a contingent of friends.

THE HORS D'OEUVRES WERE man-sized mouthfuls of ham and turkey on rye rounds and french bread cuts and these SO plentiful that many just skipped dinner in favor of partying longer. Planning on a late dinner at Cape Cod House were Kathleen and John McFarland (SHE in a handsome bright white leather coat) and Mary and Fred Goodwin, her frock festively satin, too.

Another Orinda Branch benefit in the form of an evening fashion-show to be MCed by the inimitable Paul Speegle (love that man!) on Dec. 7 at the Orinda Willows promises to be one of the highlights of the holiday calendar. But more about THAT later!

The low down on the hoe down

Bluejeans and bandana kerchiefs, cotton skirts and straw hats were de riguer at Mayten's bucolic bang-up bazaar and barn dance held Sat. Sept. 28 at the Laf. Vet's Hall. "MAKE MINE COUNTRY STYLE" a FUNderful success for this newest branch of the Children's Hospital family.

Dick Neddersen enjoying the rounds as "roving photographer" . . . Paul and Fran Cattolica pitching nickels while the Vic Traversos w/Alma and Al Yerrick appeared intrigued w/the Concord Square Dancers who polished the floor at intervals.

Attractive Laurie Patterson and her Ed scooting from booth to booth w/change and prizes . . . The Frank Leibolds and Arlene and Pete Pierre LUCKY in the door prize dept. . . . The Troyers of Laf. w/garlands of tickets around their necks.

A CORN COB PIPE OR KEWPIE DOLL? Rita Dunne tried for one, she and her spouse dead-aiming the golf-putting "green" . . . Frances Speyer (former Orindan) tossing darts, Janet and Elliott Rose w/the Ed Wilfords vying for prizes at the Ring Toss booth manned by the Jack Everetts (Marian was chairman of the event).

Homemade James & Jellies from the COUNTRY STORE shelves tempted Louise and Ed Hanlon who were guests of Alice and Rod Willets.

Lending a hand at the hoe-down was Al Johansson (Member-"mama" Barbara JUST home from the hospital w/their new baby girl) . . . A coffee-break for Harriet and Orval Grigsby . . . Eloise and John Bannister (City Slickers! She in a lovely blue wool) arriving late from supper in town.

Lucille and Tony Yriberri and the Walt Ammons calling numbers for the horse-racing game. Enjoying a more relaxing post-midnight dance, the Thomas Klings (she's Mayten's prexy) and the Tom Kallams. It was a tremendous party, Mayten members obviously worked their pretty heads off. And that extra hour of sleep (we turned back the clocks that night) must certainly have come in handy!

More about our fine feathered friends

BIRDS OF A FEATHER . . . flocked together for the Orioles recent gathering at the attractive nest of the Addie Thompsons . . . Here were the Ronald Kershes w/Bill and Kay Arends, the Dan Peacocks, Al Schmidts, Frank Soules w/the Ken Stringers . . . Freda and Robey Smith, the Elbert Waynes, Mary and Dick Hanlin, the Gene Snovers, the Madison Fowlers.

To name a handful more who were among those enjoying the special treat of a Hula number danced by Bobbie McLaren were the Frank Harts, John and Liz Folliard, Berend Bremerses and Frank Leahys. Among those entertaining later at dinner parties were Lola and Ted Dyer whose guests included the Midge Hendricksons of Lafayette, the Jim Chapples of Orinda. Also invited but unable to attend were the popular Harry Aglers who were "getting away from it all" in Carmel.

OUTSTANDING SUCCESS, Sept. 21, was the annual party of the Glorietta Improvement Assoc. held at the Ted Harrer home w/cocktails, buffet dinner and dancing to a trio around the indoor swimming pool . . . Phillip Mittell, pres. and host greeted 185 residents of that area who turned out for this always-anticipated affair.

Naomie (Mrs. Willard Neill) Porter recently enjoyed a stay at Lake Tahoe and Wellington, Nevada.

Dates with a belle, new house, football

CHURCHBELL CHATTER . . . The engagement of Jean Adele Galbraith to George Edwin Heinsohn has been announced by her parents, the Robert Earl Galbraiths of Charles Hill Circle. Jean, currently COED-ing at Willamette U. in Oregon where she's a DG and in her junior yr, will transfer to UC in Feb. and the couple will be wedded in the spring.

DOMICILE DATA . . . Moving soon into their new home in Orinda Oaks will be the Dave Smiths (Cya Burrows) who'll transfer their treasures from El Cerrito.

The cozy clatter of coffee cups served as a warm welcome for Eleanor Schaefer last Tue. when she was honored at a morning coffee by her neighbor Kay Gordon . . . Eleanor, recently arrived here from Venezuela w/her five children (she has two at Del Rey, two at Miramonte and one at Pomona) has purchased domicile No. 3 on Overhill Drive.

JR. LEAGUE ITEM . . . Jean Dickey and her three children (Cascade Lane) are due to depart the 15th or thereabouts to join her husband in the East where Frank is on a transfer to NYC and where the family will resume their suburbia (or exurbia) living in lovely Darien, Conn., w/Jean transferring to the Stamford JL. The tall attractive Leaguer.. has turned over her.. responsibilities as League Public Relations Director to Mardie (Mrs. Ned) Robinson of Lafayette who has been enjoying her new home there on Glen Rd. since midsummer and is readying the nursery for a Third Charmer who'll join the family in November.

TOUCHDOWN TIP . . . Have you your tickets for the "Football Frolic," Miramonte Parents Club Dance on October 19, 9-1? Pigskin Fever will permeate the scene and EVERYONE is invited, especially Orinda Newcomers, accdg. to Chairman Dana Cook. Grab your newcomer neighbors, make it a potluck party beforehand and join in the fun. Tkt. Chrmn. Ruth Henry at CL 4-2852 will hold your tickets on the fifty-yard line. $3.00 per couple!

DEPUTY SHERIFF WILLIAM Faulkner points out just how easy it is to walk into a home and pick up a purse or some other valuable which has been left out in the open. The Sheriff's office warns that all doors should be locked and windows shut, if you leave your home for any amount of time. The rate of walk in burglaries is much higher during the summer months when residents leave windows and doors open. Sun Photo

Scout Salute

Pack 32

The first meeting of the year for Orinda Cub Scout Pack 32 was recently held in the Community Church Fellowship Hall.

Cubmaster Bruce Howard conducted an impressive ceremony graduating four Webelos into scouting.

The four honored graduates were Wally Ruedrich, Greg Holm, Jay Ainesworth and Teddy Taylor. At the same ceremony Peter Thompson, Chris Cutting, Billy Thurston, Bill Milton and Craig Stuart were inducted as new Bobcats.

Wolf Jimmy Brock was welcomed into the pack as a transfer from Pleasant Hill.

In another award ceremony, Ritchy Tokitch was presented with his Wolf Award and Bruce Reid with a Gold Arrowpoint.

In addition to the Cubmaster, the following officers were announced for the coming year: Assistant Cubmasters, Bill Bonfield and Raney Reid; Den Mother Advisor, Mrs. N. N. Daniloff; membership, Mrs. Robert DeWitt; athletic director, Quentin Thompson; publicity, Mrs. J. E. Moriarty; treasurer, Jim Moriarty.

Pack 225

ACTIVITIES AGAIN

Miramonte activities begin to snowball once again as various clubs make plans for the coming year.

Dances, parties, banquets and foreign movies are included on their agenda for this year.

One such activity has already taken place. The Girls League sponsored "Big and Little Sister Day" with a lunch and a program recently.

Marcia MacQuiddy, Billy Jean Clark, Karin Ecklund, in addition to cheerleaders and pom pom girls provided entertainment for the freshmen and their big sisters.

SPANISH CLUB

Los Espanolitos, Miramonte's newly formed Spanish club, met for the first time recently.

The newly elected officers are Babette Ambler, president; Linda Lancione, vice-president, and Bruce Johnson, secretary-treasurer.

Added to the busy atmosphere at Miramonte are touches of Sweden and Germany as our AFS students, Agneta "Nettie" Pearson and Eberhard Umbach, appear on the scene.

Nettie is staying with Gayle Erickson, and Eberhard with Ron Brown.

BOOSTER CARDS

To enable parents and friends to attend games at reduced rates the sale of Booster Cards is now in action.

As an added incentive, the king and queen from the class selling the largest percentage of cards will reign at the football dance, October 18.

Student body card sales mushroomed to a climax recently. Early last week 577 out of 640-odd students had purchased them.

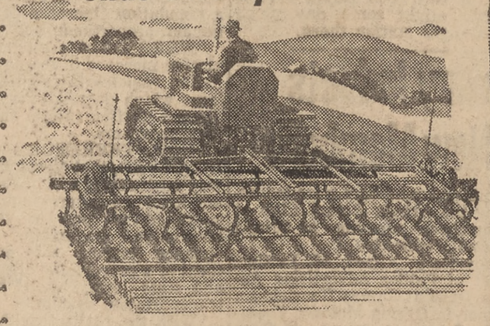

Among the privileges granted will be reduced rates at dances, football games and other school functions, the right to participate in school clubs and sports and the credit for a yearbook at the end of the year.

Sheryl Studley, student body treasurer, headed the sales.

During the last year the monthly average of persons who failed to pass their State Department of Motor Vehicles driving tests totaled 40,666.

Jewish Center New Rabbi Is Dr. H. Hirsch Cohen

Dr. H. Hirsch Cohen is the new rabbi for the Contra Costa Jewish Community Center, announces Center President Lewis Rapport, of Orinda.

Dr. Cohen, who is 32, formerly served on the rabbinical staff of the reform congregation Keneseth Israel in Philadelphia.

The Contra Costa Jewish Community Center building is on Mt. Diablo Boulevard in Lafayette, across from Sunset Village.

Dr. Cohen was born in Lowell, Mass., where he attended public school.

He graduated from Tufts University, magna cum laude, receiving a Bachelor of Arts degree in 1945. At Tufts, he was a member of the Naval ROTC, and upon graduation was commissioned as ensign.

He then attended the University of Colorado Naval Japanese Language School, and later was transferred to the South Pacific area, being stationed in New Caledonia.

Upon discharge from the Navy in 1946, Dr. Cohen traveled to Jerusalem, where he attended Hebrew University for one year under the GI Bill of Rights. At that time he served as Near East correspondent for Fairchild publications.

While in Palestine (now Israel) he was invited by the American School of Oriental Research to accompany its members on various explorations of biblical interest.

When he returned to the United States, he enrolled at Hebrew Union College as a seminary student for the reform rabbinate. He graduated with honors in 1952 and was ordained with the degree of Master of Hebrew Letters.

Since 1952, Dr. Cohen has been associated with the reform congregation Keneseth Israel, Philadelphia, acting as rabbi. Here he married the former Claudia A. Abraham of Philadelphia. The couple now have a 2-year-old daughter, Deborah Lynn.

While at Keneseth Israel, Dr. Cohen attended Temple University, where he received the degree of Doctor of Sacred Theology in the Department of Pastoral Psychology.

This course of study was unique in that the majority of subjects were taught by staff psychiatrists in the Department of Psychiatry of the Temple University Medical School.

During the past five years, Dr. Cohen has worked on numerous committees and has taken an active part in many organizations on city, state and national levels.

He served as Jewish chaplain for the Junior Chamber of Commerce in Philadelphia for three years. He was a member of the mayor's committee on juvenile delinquency and the Educational Committee Fellowship Commission of Philadelphia. He served on the board of the Southeastern Division of the Pennsylvania Mental Health Association.

Dr. and Mrs. Cohen are presently making their home at 4 Arbor Way, Lafayette.

Church Women Launch Drive For Scrap Metal

The Santa Maria Catholic Women's Club had the kickoff this week on its scrap metal drive.

All aluminum, iron, steel, copper, brass, etc. — but no tin cans — may be left in back of the parish hall.

"This will be an opportunity to clear out your garage of such items. There will be a sign directing you to the location. Old batteries are a prized item and are most welcome," says Mrs. Richard Gould, chairman of the drive.

The drive will continue through the month of October.

Back to School Night Planned

Parents of Miramonte High School students will have an opportunity to relive their student days on Monday night.

According to J. A. Lewis, principal, at 8 a complete but abbreviated schedule of regular school classes will begin. Parents will then attend classes in which their children are enrolled, thus affording an opportunity to become acquainted with the teachers and receive a briefing on the subject matter to be covered during the year.

Refreshments will be served in the new cafeteria afterward. All parents are encouraged to attend. No homework will be assigned.

Meet Wednesday

A coffee gathering at 10 a.m. next Wednesday at the home of Mrs. James Nichol, 10 Ardor Drive, Orinda, will serve as the formative meeting for a newcomers' club here.

If you are interested, call Mrs. J. J. Gannon of 40 Ardor Drive or Mrs. J. W. Bishop of 8 La Sombra Court.

Grid Theme Set For Miramonte Parents' Dance

"Football Frolic" will be the theme for the informal dance to be given by the Parents Club of Miramonte High School at the Diablo Country Club on October 19.

General chairman for the dance is Mrs. William L. Cook. She will be assisted by Mrs. Arthur Henry, ticket chairman; Mrs. Harry Miller and Mrs. Boone Robinson, decorations co-chairmen; Mrs. Thomas Connolly, hospitality.

Music will be furnished by Henry Gallagher and his orchestra, and dancing will be from 9 p.m. until 1 a.m.

Tables will be arranged for either small or large groups, so that you may invite your neighbors and friends to join you for a night of fun.

Tickets are $3 per couple and may be obtained by telephoning Mrs. Henry.

THE DRAMATEURS will present their fall production, "Uncle Harry," a three-act suspense drama by Thomas Job, tonight, tomorrow night, next Friday night and on Saturday night, October 19, at the Berkeley Little Theater, Allston Way at Grove Street, Berkeley. During a recent rehearsal, left to right, actors Peg Stanislawsky as Hester, Jim Harris as George Weddy and Diane Davis as Lucy perform their roles in a scene, while Helen Blankenburg as Lettie and Eddie Woltz as Uncle Harry await their turns. Curtain time for each performance is 8:30.

15,000 At Grand Opening Of Consumer Cooperative

More than 15,000 persons from all sections of Central Contra Costa, the Bay Area and Palo Alto attended Open House October 2 at the new Cooperative Center's new building, 1510 Geary Road in Walnut Creek, according to Eugene Mannila, general manager and Robert Ballew, store manager.

Pouring through the doors for a "look see" at the new $300,000 showplace structure were residents and members from Orinda, Lafayette, Danville, Martinez, Concord, Clayton Valley, Pleasant Hill and Walnut Creek.

CHARTERED BUSSES carrying capacity crowds also brought members from the Berkeley and Palo Alto communities, to see the newest member of the Cooperatives joining with other cooperatives springing up throughout California.

All received "free salt of the earth" with a total of five tons given out; balloons and rulers for the children and refreshments were served the interested public.

Hostesses for the evening event included Mrs. Vivien March, Mrs. Estelle Girande, Mrs. Marilyn Stock and Mrs. Joyce McBeth, Mrs. Irene Ikola, Mrs. Claire McKenna, Mrs. Betty Reid, Mrs. Ray Petty, Mrs. Jean Martinez, Mrs. Frank Smith.

MRS. CHIEKO SEARS, Mrs. Jean Howe, Mrs. Mary Stone and Mrs. Joe Goldstein all of Walnut Creek. Others hostessing were Mrs. Pat Sullivan, Mrs. Pat Dyer-Bennett, Mrs. Reva Tow.

Mrs. Loretta Jennings, Mrs. Richard Johnston and Mrs. Jean Jonas from Lafayette; Mrs. Les Carbert, Mrs. Charles Mowry, Mrs. Stella Golesh, Mrs. Lorna Keen, Mrs. Henry Greenfield and Mrs. Fredericka Hall from Pleasant Hill; Mrs. M. Lossow and Mrs. Roy Sumner of Alamo; Mrs. C. McKay, Mrs. Kay Raynor, Mrs. Twila Caldwell and Miss Susan Sanford of Concord and Mrs. Mena Drake of Canyon.

Hosts serving at information centers and strategic spots throughout the store included J. Richard Johnson, who is president of the board of directors of Associated Cooperatives; Don Sanford of Concord, Les Carbert of Pleasant Hill, Warren Eukel and Joe Goldstein of Walnut Creek and Robert Leffman of Lafayette.

HOSTS AND hostesses from the Berkeley area included Mr. and Mrs. Laurie Lehtin, Mr. Robert Owens, Mr. and Mrs. Waino Suojanen, Mrs. Sadie Gladstone, Mr. and Mrs. Hans Leschke, Mrs. Esther Blakely, Mr. and Mrs. Tauno Ahonen (who is president of the board of directors of Co-op).

Mrs. Margaret Liebenstein, Mr. and Mrs. Robert Neptune, Mr. Bruce Johnson, Mr. and Mrs. Joseph Dorst, Mrs. Sylvia Mannila, Miss Florey Wolfe, Mr. and Mrs. Mel Gladstone and Mr. George Spitzer.

Home Group Will Discuss 'Home Sewing'

"Tailored Finishes in Home Sewing" will be the subject of the Home Extension Day Group meeting next Friday at the home of Mrs. Ivor Lindberg, 110 Cora Court, Walnut Creek.

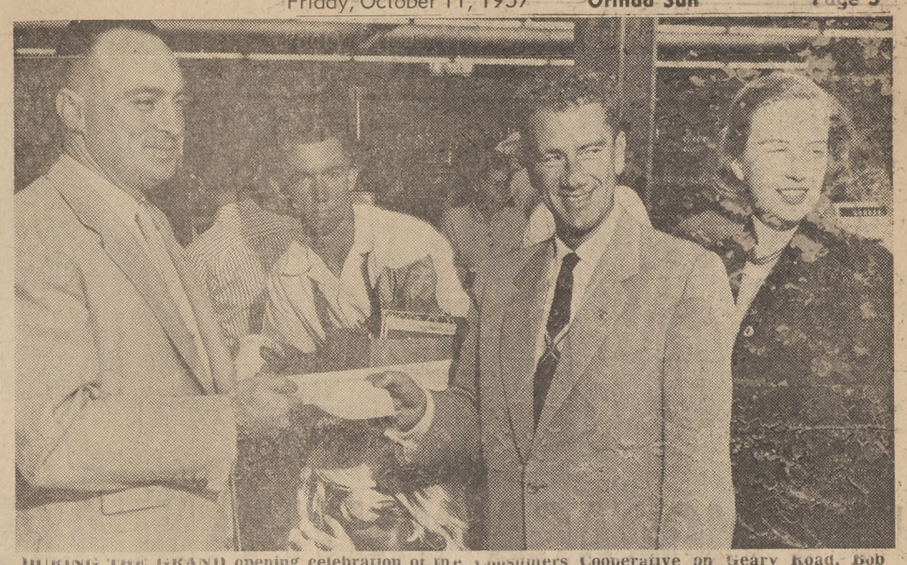

A dessert luncheon will be served at 12:30 by co-hostesses Mesdames Lenard Seclef, Sherman Camp, Clarence Tate and Arthur Larson. Guests will be welcome and members are requested to bring cup, plate and silver.

Project leaders Mrs. Charles Gable and Mrs. Sarah Jones who were trained by Mrs. Mary Williams, county home advisor, will instruct the group in such detail sewing as the making of collars, pockets and buttonholes.

Tower to be Built

An allocation of $43,336 has been made by the Civivl Aeronautics Administration for construction of a control tower at Buchanan Field, the county airport.

Congressman John Baldwin said that the money will be available from the current fiscal year Federal-air airport program.

DURING THE GRAND opening celebration of the Consumers Cooperative on Geary Road, Bob Bellew, manager, turned over a check for $50 to Dick Donovan, chairman of the Pleasant Hill United Crusade drive. Looking on is Carol Burton, business collection chairman.

Co-op Presents Crusade with $50 Token Gift

A check in the amount of $50 was presented to the Pleasant Hill chairman of the United Crusade by Robert Ballew, store manager of the Cooperative Center at 1510 Geary Road, Walnut Creek.

In accepting the check, local banker Richard Donovan, chairman for the Pleasant Hill Crusade Committee said, "We certainly want to thank you and everyone connected with your new enterprise for this contribution to our drive. We recognize that through your donation to the United Crusade, you are indicating your interest in our community's affairs. We feel that you are assuming your responsibility along with the many other outstanding businessmen in Pleasant Hill who are doing their fair share in this year's campaign."

Store manager of the $300,000 building, employing a total of 40 people, Robert Ballew said, "Members and their families are always active participants in the affairs of their communities and its good and welfare.

"Our Berkeley unit always participates in the annual United Crusade drive and made a substantial donation this week. We know that our members in our new unit at Geary Road are actively supporting the campaign here, and we are happy to make this token contribution with the rest of the business firms here."

John Lubbers is co-chairman of the Pleasant Hill Crusade committee, Harold Houseal is district business chairman; Mrs. Carol Burton, residential division chairman, and Bill Weil, Diablo Valley Speakers Bureau chairman.

Newspaper Row Goes to NLRB

The current dispute between three Contra Costa publishers and Local 432 of the Printing Pressmen and Assistants Union of North America was thrown into a legal no-man's land by Judge Homer Patterson Monday in Martinez.

Judge Patterson ruled that the National Labor Relations Board had sole jurisdiction over the case and dissolved a temporary restraining order preventing pickets from appearing in front of the Antioch Ledger, Pittsburg Post-Dispatch and The Sun.

The judge ruled, in effect, that the three papers were involved in interstate commerce and were subject to NLRB jurisdiction. The NLRB has refused to handle cases of newspapers involved in labor disputes in which less than $500,000 is grossed per year. None of the three gross that much.

Commenting later on the issue Judge Patterson said:

"Congress has created a no-man's land subject to regulation by no other agency but the NLRB. By delegating jurisdiction exclusively to the NLRB, state courts are powerless to act."

The judge said he believes state courts should have the power to act in cases declined by the NLRB. Although this course has been recommended to Congress, no action has been taken, he added.

The dispute of the publishers and pressmen began September 11 when the publishers ended a two week strike with the International Typographical Union granting jurisdiction over all "backshop" employees to the ITU including the pressmen. The agreement ended a two week strike.

The pressmen then struck.

September 14, the publishers filed a $75,000 damage suit against the pressmen and an injunction against picketing. The temporary order against picketing was granted several days later.

Carl A. Little, president of the pressmen's local, said Wednesday in Martinez that his organization presently has no plans to resume picketing of the three plants.

FATAL ACCIDENTS

More than 96 per cent of the vehicles involved in fatal accidents on United States highways in 1956 were in apparently good condition.

Toys Sought By Bureau; Also Books

The Christmas Bureau of Mount Diablo Valley is collecting new and repairable toys for the needy children of the area.

"We are seeking wheel toys, dolls, other toys and books in good condition, but no stuffed animals," stated Mrs. Robert Weeks, acting chairman of the Bureau.

Toys will be accepted at the following places from October 15 to December 1:

Lafayette Fire Station, Moraga Road, Lafayette; Moraga Fire Station, Rheem Boulevard, Moraga; Saranap Fire Station, Boulevard Way, Saranap; Danville Fire Station, Hartz Street, Danville; American Red Cross, 1395 Civic Drive, Walnut Creek.

Those seeking pickup service may call Mrs. Philip Angell Jr.

Mrs. Davis Is Leona President

The Leona Cradle started its fifth season of activities for the benefit of Booth Memorial Hospital with a luncheon at Castlemont Country Club.

Mrs. Harold R. Davis of Walnut Creek, newly elected president for a two-year term, greeted members and presided at a brief planning session.

Special guests at the luncheon were Mrs. George O Johnson, President of the Auxiliary of Booth Memorial Hospital, Mrs. Harold Raines, and Mrs. John F. Tulloch, all associate members of the Cradle.

An intensified planning meeting was held October 2. Mrs. Clifford G. Lewis of Lafayette was hostess.

Committee members include Mrs. Lloyd Fisher of Walnut Creek, Mrs. Roy Mortensen and Mrs. Richard Lesser, both of Lafayette.

Vallecito School Leads All in Dental Returns

Vallecito School of the Lafayette School District led all other schools in the percentage of dental health certificate cards returned, according to a summary released today by the County Health Department's Dental Division. Brentwood Elementary and Edna Hill of the Brentwood School District were close runners-up.

The Health Department release noted that 11,197 cards were accounted for during the 1956-57 school year. Of the 31 per cent returned for all schools reporting, 81 per cent indicated that dental treatment had been completed or was not needed at the time of examination by the dentist.

Explaining the purpose of dental health certification, Dr. Z. M. Stadt, assistant health officer in charge of dental health, noted that certification is one phase of the Contra Costa Dental Health Plan. It motivates an interest in and practice of early and regular visits to the dentist. Its objective is to help protect children against unnecessary tooth loss or the development of crippling dental conditions.

Almost every school child experiences dental decay; hence, instead of referring only children with the most obvious dental problems, the schools employing dental health certification refer all children.

The health chairman or dental health chairman of the parent group, guided by the school nurse, prepares the cards and accompanying letters of explanation. The cards are then issued by the teacher to the students.

"All the children are not given Dental Health Certificate cards at the same time. Distribution is evenly scheduled throughout the year, beginning with the kindergarten and first grade children in September and October; second graders in November, etc.," explained Dr. Stadt.

When a visit is made, the dentist signs the card, checking one of the following: No treatment needed; treatment completed; under treatment; treatment required but no arrangements made. The card is returned by the student or mailed to the school by the dentist.

"Return of the cards is not mandatory, but as the idea takes hold more and more parents will want to participate in this simple method of evaluating the dental health status of the students," said Dr. Stadt, adding that "greater returns are expected this year because the majority of Contra Costa dentists will have a supply of the dental health certificate cards at their offices."

Traffic Kills Mounting in Contra Costa

The death toll from traffic accidents in Contra Costa County is already one-third more than last year—43 compared to 30, according to the Safety Council. Each city and unincorporated area should establish Public Safety Commissions as a means of combating this evil, say members.

These commissions would have the power and duty to study present and future traffic and safety problems of their communities and make recommendations to their governing bodies concerning the same and shall act in an advisory capacity to their governing bodies with reference to traffic and safety problems of their communities.

United Nations Day Celebration Plans Formulated

Plans are being formulated for observance of United Nations Day Saturday, October 26, at the Cooperative Center at 1510 Geary Road, according to Don Sanford of Concord, chairman of the member education committee.

United Nations International Children's Emergency Fund Christmas Cards will be on sale; supplies for UNICSF Halloween collection of pennies for the needy children of the world will be available; exhibits, and other events are being planned, according to Sanford.

Assisting in the one day's events will be Mrs. John Stock, Mrs. Alan Howe and Mrs. Estelle Girande of Walnut Creek; Charles Mowry, Mrs. Varley McBeth and Mrs. Roger Owen of Pleasant Hill, and Mrs. Barbara Champion of Danville.

Joan Crew's Engagement Told at Parents' Fete

Joan Crew and Ronald Fadelli announced their plans for a June 1958 wedding, as her parents, the Raymond H. Crews of 81 Greenway Drive, Walnut Creek, held open house, September 29. It was the elder Crews' 25th wedding anniversary.

Silver and pink candy bells were passed among the guests by the future benedict's sister, Anna Jean and Joan's cousin Judith Crew, revealing the summer wedding date of Joan and Ron.

Joan, a graduate of Las Lomas High, will receive her A.A. degree in Dental Science from East Contra Costa Junior College in June. She is a member and past officer of Walnut Creek Rainbow Assembly.

SHE WAS also majorette of Las Lomas High School for 3 years and held offices in the G.A.A., Spanish Club, modern dance and water ballet throughout her high school years. Joan was majorette of the E.C.C. "Vikings" this past year.

The future bride has two brothers, George and Jimmie.

Ronald, a graduate of Acalanes High School, is the son of Eda Fadelli of 10 Valencia Court, Orinda and Alfred Fadelli, Berkeley. He has a brother Andrew, and two sisters, Norma and Anna Jean. Ronald presented Joan with her engagement ring on her birthday last December 18.

More than 200 guests attended the parents' silver anniversary party, including members of their wedding party 25 years ago.

FRIENDS CAME from Auburn, Reno, San Jose and the Peninsula. The Crews are lifetime East Bay residents, and have now been in Walnut Creek seven years. They were married in Oakland at the Chapel of the Oaks, September 16, 1932.

Both are graduates of Oakland high schools, Fremont and University respectively. Mrs. Crew went South to U.C.L.A. and Mr. Crew entered business in Oakland which he now owns and manages.

Decor for this event was in pink and silver, carried out with pink carnations and dahlias in silver bowls.

One serving table was set for the parents, displaying their wedding picture, and the other table in the garden for Joan and Ronald with cupids as their theme.

Local YMCA Announces Contest for New Name

What will be the new name of the YMCA in this area?

Lots of youngsters and adults alike or asking that question in the Central Contra Costa County area, but nobody knows the answer yet.

On January 1, 1958, the present organization will become independent, and as a result, needs a name. So a contest has been organized to let the people of the area name their own YMCA.

Chairman of the contest committee is Emmett Meyers of Concord, assisted by the Reverend Robert Varblow of Walnut Creek and Charles Kersten of Orinda.

THE CONTEST WILL close October 18 when judges A. W. Elkington of Orinda, Roy Condeff, Walnut Creek and But Stout of Concord will consider the entries.

First prize, according to Meyers is a campership at Camp Gualala for one, or $35. Second and third prizes are a day campership or $20 each.

In case of duplicate entries the one with the earliest postmark will be the winner. Any number of entries may be submitted, either on the attached coupon or by mail.

ENTRIES SHOULD be mailed to Name Your Y Contest, 1537 Sunnyvale Avenue, Walnut Creek.

Executive Secretary John Price explained that until now the East Conta Costa YMCA has been attached to the Berkeley Branch, but that it has grown in size and activities until it can become independent.

"We look forward to this as a real step which has been possible because of the active participation of literally thousands of youngsters in our area," said Price.

"We will continue to work in the area from Orinda to Concord in an effort to provide a program for all youngsters who wish it. This expanded effort is a step in that direction," he concluded.

New Curriculum Set for College

A new freshman liberal arts curriculum based on the Greek idea of knowledge has been developed at St. Mary's College after two years of research and experimentation supported with a grant of $44,000 from the Rosenberg Foundation of San Francisco.

The new curriculum unifies all the conventional first-year courses in languages, history, philosophy and mathematics, enabling the student to concentrate on one subject: The Greek idea of knowledge. It is a first step in a proposed "great ideas" curriculum reorganization for liberal arts colleges.

Frank Keefe Opens Real Estate Office

Frank Keefe, licensed real estate broker, has opened new offices in Walnut Creek.

Keefe, whose office is at 1320 Locust Street, is a member of the Contra Costa Real Estate Board and Multiple Listing Service. His phone number is YE 5-6200.

Formerly sales manager of the Burgess Company in Walnut Creek, Keefe brings many years of experience to his own ofifce. A resident of Contra Costa County for some time, Keefe is experienced in the appraisal and value of homes, expalining that "personal service is the right of the purchaser and seller, and we will see that it is provided."

Keefe's two sons are graduates of Acalanes High School. One is attending East Contra Costa Junior College. The other is studying dentistry in Omaha.

Christmas Seal Project Has Many Small Tasks

George W. Wacker, administrator of Richmond Hospital, is the 1957 Christmas Seal Sale Chairman for Contra Costa County.

Wacker has served on the Tuberculosis and Health Association's case-finding committee, as program committee and administrative committee coordinator. He is now president-elect of the association.

Walnut Creek representatives on the association board of directors are Mrs. Laurence P. Corbett, 316 Monecillo Drive, or Charles J. Hart, 1471 East Newell Avenue, or Gordon P. Van Nuys, 1426 So. Main Street, and Reverend A. Ray Petty of the Hillcrest Congregational Church in Pleasant Hill.

They will help with the preparation of the mail, the typing of labels, the stuffing of the envelopes, the securing of volunteers, and the many other jobs connected with getting the Christmas Seals into the mail by November 15.

Christmas Seals are the only financial support of the Contra Costa Tuberculosis and Health Association and go toward the promotion of such programs as the tuberculin testing survey among the school children in Brentwood and Richmond, held last year and to be repeated this year.

Flood District Is Reimbursed For '55 Rain

A check for $25,741.81 was recently received by the County Flood Control and Water Conservation District from the state for "excessive damage" which occurred during the 1955 rains.

The payment is in line with a flood relief act of 1956. Chief Engineer Carl Rich said that another $2500 is still due. The original request was for $28,600.

DRUG ADDICTION

The State Department of Motor Vehicles last year revoked the driver licenses of 814 persons for drug addiction.

Girl Scouts' New House Will Open

The Diablo Valley Girl Scout Council will hold dedication ceremonies of their newly acquired house, named "Casita Castana," at 3570 Terrace Way, Lafayette, on Sunday at 3:30.

Invitations have been extended to civic groups, community organizations and city council members.

Mrs. Robert B. Freeman, president of the council, will welcome guests and give the story of the House. The Blessing of the House will be performed by Dr. H. Hirsch, Cohen, Rabbi, Central Contra Costa Jewish Community administrator, St. Isidor Catholic Church, Danville, and Rev. R. T. Su, curate, St. Paul's Episcopal Church, Walnut Creek.

A highlight will be the presentation of three flags—the American Flag, the World Association of Girl Guides and Girl Scouts Flag, and the Diablo Council Flag by Mrs. Michael Rosemont, president of the Pleasant Hill Soroptimist Club.

The Diablo Valley Area Girl Scout Council is an agency sharing in the United Bay Area Crusade.

RESTRICTED

An average of 31,490 drivers per month are restricted in their driving privilege for various reasons by the State Department of Motor Vehicles.

Michael Czaja Exhibits New Travel Sketches

An exhibition of watercolor "Travel Sketches" by Michael Czaja of Walnut Creek is scheduled to be shown in the College of Architecture Gallery at the University of California in Berkeley for two weeks, ending next Friday.

These sketches were done by Professor Czaja during his sabbatical leave from the University this past spring and summer which he spent in Europe. Mrs. Czaja and their daughters, Viki and Toni, accompanied him on the trip which took them through Italy and Spain.

The family traveled through both countries by car, visiting places where Czaja could carry out his projects of study of "town squares," and also of mosaics, particularly those of Ravenna, Sienna and Venice.

HE OBTAINED many fine kodachromes of brilliant mosaics hidden in dark church interiors. He also obtained, by special permit, pictures of rare Etruscan paintings and colored wood sculpture.

After touring Spain to obtain a general impression of the country, the Czaja family rented a house in Malaga on the southern coast of Spain and lived there for 4½ months, absorbing the Spanish atmosphere and making frequent excursions into the small villages and towns throughout the southern province of Andalusia.

Czaja photographed and sketched many facets of Spanish life, including cathedral interiors, the night procession of Semana, Santa (Holy Week), the bullfights, typcila city and village architecture, and vistas of olive orchards and typical Spanish countryside.

He also recorded both by camera and by paint brush scenes of such famous historical monuments as the Roman Aqueduct at Segovia, the City Wall of Avila, the bridges of Toledo, and the Alhambra at Granada.

THE ALHAMBRA particularly intrigued Czaja and he returned there several times tot study the gardens, fountains, wall decorations, and the marvelous inlaid wood ceilings.

Czaja is professor of architecture at the University of California at Berkeley and has been a resident of Walnut Creek for nine years. He has been active in local community art activities, with long service on the board of directors of the Valley Art Center and serving as president of that organization in 1956.

The last previous exhibition of Czaja's paintings was held at the Rotunda Gallery of the City of Paris in San Francisco in November 1956. Many of his paintings have been collected by Bay Area art patrons among whom are Mr. aand Mrs. Lester Scharmer and Dr. Norman Betaque of Walnut Creek, Dr. and Mrs. John Ellis and Mrs. Howard Stafford of Lafayette, Mrs. Warren Glickman of Piedmont, Mr. and Mrs. Tevis Jacobs of San Francisco, the Messrs. Vernon DeMars, Carlton Steiner and Kenneth Cardwell of Berkeley.

Czaja has scheduled illustrated slide lectures to be given during November at the College of Architecture in Berkeley.

The College of Architecture Gallery is open from 9 a.m. to 10 p.m. daily and to 6 p.m. on Sunday. The public is cordially invited.

Schools Spend $62 Million in Fiscal Year

School business one of Contra Costa County's largest financial undertakings, totaled more than $62 million in 1956-57, a report to the County Board of Education disclosed today.

Mrs. Grace Thomson, supervisor of school records, reported at the board's October 2 meeting that the county's 34 districts expended $62,341,505, of which $39,013,820 was operating expenses.

A total of $17,511,530 was spent on construction of new buildings. Of this amount, said Mrs. Thomson, the local districts provided $9,819,210 raised through bonds, and the remainder was in state loans. Another $3,673,132 went to re-payment of bonds.

The other major item in the expediture list was $1,523,562 for operation of school cafeterias.

At the board's request Mrs. Thomson reported the following per capita costs last year: Antioch-Live Oak Unified, $384; Mt. Diablo Unified, $334; Pittsburg Unified, $393; Lafayette, $311; Walnut Creek, $299; Sheldon, $265; Richmond Elementary, $342, and Contra Costa Junior College, $563.

Christian Science

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services this Sunday.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill meets at the Hillcrest Congregational Church on Gregory Lane.

Reading from the King James Version of the Bible will include the following from Psalms (67:1, 2): "God be merciful unto us, and bless us; and cause his face to shine upon us; That thy way may be known upon earth, thy saving health among all nations."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will also be read (206. 26-28, 30): "Instead of God sending sickness and death, He destroys them, and brings to light immortality . . . God does not cause man to sin, to be sick, or to die."

The Golden Text is from Proverbs (12:28): "In the way of righteousness is life! and in the pathway thereof there is no death."

Skywatchers Will Receive Awards Tuesday Night

The regular meeting of the Walnut Creek Ground Observer Corps Post will be held Tuesday at 8 p.m., at the National Guard Armory, Walnut Creek.

Special awards will be presented to observers for having spent 25 or more hours in sky-watching.

First Lt. Stephen J. Vogel, recently assigned as Operations Officer of the Sacramento Air Defense Filter Center, will be the speaker.

Baldwin Holds Perfect Record On Voting Calls

The latest issue of Congressional Quarterly states that Congressman John F. Baldwin was the only Congressman from the State of California who voted on every "yea" and "nay" recorded roll call in both the 84th Congress and the first session of the 85th Congress, which represents a period of three years.

Baldwin is the only one of the 30 Caliofrnia representatives to have a 100 per cent voting record over this period of time.

Congressional Quarterly is an authorititative reference on Congress and is published in Washington, D.C.

Congressional Quarterly further reported that only ten other Congressmen out of the 435 members of the House of Representatives in the entire nation had a 100 per cent voting record during this period of time.

2 Acalanes Boys Tell of Their AFS Travel Abroad

Alan Hewitt and Ernie Fox, two Acalanes students who visited Europe this summer under the auspices of the American Field Service student exchange program, described their adventures abroad to the Don student body Tuesday at an all-school assembly.

Fox, son of Mr. and Mrs. A. L. Fox of 21 Ruth Court, Walnut Creek, recounted his three months in Germany, during which time he was "adopted" by a German engineer and his family.

Fox pointed out that the Germans, who were our antagonists in World War II, have a "tough time trying to figure out our motives. They sometimes suspect that the hand of friendship we now offer isn't entirely genuine," he said.

YOUNG FOX, who is president of the Acalanes Associated Student Body, commended the German people for their "terrific industry."

Fox raised the ire of some Acalanes feminine students, noting that "the average German housewife works a lot more than their American counterpart.

"The German mother doesn't have as many mechanical kitchen aids or prepared foodstuffs to rely on," he pointed out.

ALAN HEWITT, son of Mr. and Mrs. George T. Hewitt of 868 Ellen Way, Lafayette, filled his fellow students in on his experiences in Greece. Hewitt also traveled through France, Germany, Switzerland and Italy en route to his "adopted" Greek family in Athens.

Commenting on the poverty prevalent in the areas he visited, Hewitt appealed to his fellow-students to take "an active interest in the problems of people abroad by participating intelligently in domestic election issues that determine our foreign policy."

"The Greeks fought off and were occupied by the Italians, and then the Germans and eventually suffered through a civil war against red influence. In all of these frays they were fighting and dying for our side," Hewitt said. "We owe them more than words of friendship."

ACALANES PRINCIPAL Stanley Walgren, who visited the Middle East this summer, outlined the social and economic problems faced by countries in that part of the world, emphasizing both the " 'old' and the 'new' character of one of the chief players in Middle Eastern problems, Egypt."

Both Principal Walgren and social studies department instructors agree that the two-way exchange of students adds "new vitality and understanding to the work of students in history and related classes."

Irmgard Sieber of Austria and Carlos De Miguel of Spain are two foreign students currently enrolled at Acalanes under the American Field Service program.

Scraggs Group Wins $300 Prize At Woodminster

In a hilarious program in the country and western tradition, the New Scraggs hill-billy quartet, representinng St. Stephen's Episcopal Church in Orinda, won the first prize award of $300 in the "Miss Olympics" at Woodminster on Saturday night.

With Donald Aird, St. Stephen's choirmaster at the piano, the quartet comprised Carol Brooke Aird, soprano, Hilda Brandt, alto; John Rucker, tenor, and Dave Cuthbertson, bass. Miss Brandt, organizer; and arranger for the group, is the former organist and choirmaster of St. Clement's church in Barkeley. She is presently living in Walnut Creek.

Garbed in coonskins caps and bonnets, ragged pants, and Mother Hubbards, ane of the ladies sporting red glives, all four advanced barefooted on the cold stage to sing "She'll be Comin' Round the Mountain," Jesse James," "Clementine," "Sweet Miss Mary," and in a burst of patriotism "The Stars and Stripes Forever" with lyrics by Hilda Brandt.

All members of the new Scraggs have well-trained, flexible voices which make the musically difficult arrangements seem easy, and a zany humor which lends an exhuberance to their new, and far from choir, roles. Aside from imitating musical instruments in "The Stars and Stripes Forever," the group is not above bellowing on occasion and in one instance singing determinedly off key.

This was the first presentation of an annual event sponsored by the Oakland Junior Chamber of Commerce and the Oakland Park Commission. Each quartet competing represented some church or charitable organization, which the cash awards were to benefit.

The Scraggs were sponsored by the Choir Association, which manages the business and social affairs of St. Stephen's Choir. Officers of the Association, all of whom live in Lafayette and Orinda, are Bud Fowkes, president; Stan Stidham, vice president; Alice Keller, treasurer; Barbara Wall, secretary; Dick Keller, librarian; Margaret Kessler, publicity and Irene De Costa, choir mother.

The Choir Association last season sponsored the seven choral evensongs at St. Stephen's church. The first concert this fall will be held next month.

DAR Unit Hears Mrs. Northup

Mrs. Oliver J. Northup of Berkeley, state chairman of the DAR Manual for Citizenship, spoke at the Monday meeting of the Acalanes Chapter of the Daughters of the American Revolution at the home of Mrs. Roy Heffner on Brown Avenue, Lafayette.

Mrs. Northup pointed out that the manual, published by the Daughters of the American Revolution, is printed in four languages and is distributed free of charge when used for naturalization purposes. It contains a short history of the United State and the flag, the Constitution, the Bill of Rights and naturalization laws.

Mrs. Charles C. Bowen of San Francisco, state vice-chairman of the Flag, talked on the history of the flag and its proper use. She showed a picture of the grave, in France, of the Marquis de Lafayette, where the United States flag flies continually. It was even allowed to fly during the German occupation in the war.

Mrs. Clarence G. Smith of Orinda, regent of Acalanes Chapter, presented Mrs. A. L. Ammen of Oakland with the past regent's pin in appreciation of her two years work as regent.

Additional chairmen appointed by Mrs. Smith for this year were: Mrs. Bradshaw Harrison, Orinda, DAR Museum and California Room; Mrs. Jeanne Cory, Lafayette, DAR Manual for Citizenship; Mrs. E. Wynne Newell, Berkeley, motion pictures, radio, television; Mrs. Robert T. Adams, Lafayette, junior American citizens; Mrs. Leroy Kennedy, Lafayette, American music; Mrs. Ralph V. Dewey, Berkeley, American Red Cross; Mrs. Victor Cassidy, Berkeley, ways and means.

Acalanes Seniors Qualify Merit Examinations

Nineteen Acalanes High School students qualify for the Merit Scholarship Examination to be given October 22. The nineteen students represent the top academic five per cent of the Acalanes senior class.

The Merit test is give nationally to determine which students are qualified to receive coveted scholarship grants for college study provided by industries in the United States.

From thousands of top academic students who take the test in high schools throughout the nation, the Merit Scholarship program will choose between 600-800 for scholarship awards.

Last year at Acalanes Smed Ambler, son of Mr. and Mrs. Louis Ambler of Orinda, received a Merit Scholarship for Stanford University, where he is currently enrolled.

Students at Acalanes who will take the October test include: Gail Sorem, Anna Oldano, Ellie Hilmer, Ann Munroe, Linda Larsen, Phil Branch, Louis Smith, Troy Beretta, Bill Shurtleff, Carolyn Bell, Libby Ballachey, Sue Flint, Lucy Christiansen, Joan Haefele, Joan Nordstrom, Joan Hammarburg, Alice Woolf, Pat Siefker, and Jo Ann Musante.

AFS Guests Gain Knowledege of US

Guests at the American Field Service reception September 29 gained first-hand knowledege of how the student exchange program stimulates understanding between the United States and other countries.

The reception was given by the A.F.S. committee of Lafayette, to introduce to the community the Acalanes students who spent the summer in Europe, as well as the foreign exchange students who are now at Acalanes.

Mrs. Mike Roberts, Chairman of the A.F.S. committee, introduced Arne Groennings, who is president of the Acalanes A.F.S. student group for the school year.

Alice Monosmith introduced her "sister," Irmgard Sieber, of Mattersburg, Austria, while Bill Shurtleff presented his "brother," Carlos Demiguel, who is from Madrid, Spain.

These students, by sharing the daily activities of their adopted families, and by spending their entire senior school year here, will gain a true understanding of our country and its people. They will be taken to many parts of our state, and participate in school, community and church affairs as much as possible.

Ernie Fox and Alan Hewitt told of their impressions of the countries they visited this summer, under the student exchange program.

Ernie commented on the industry of the people of Kassel, Germany, where he lived this summer. Eighty per cent of Kassel had been destroyed by bombing during World War II, yet the entire city has been cleared of rubble, and almost entirely rebuilt. The streets were very clean, as were the yards and walks of even the simplest homes.

His "Mother" was never idle—the entire house was thoroughly cleaned every day. Meals were carefully prepared, a laborious process, since modern kitchen equipment and prepared mixes were totally lacking.

There is a certain amount of suspicion in Germany as to the motives which under-lie our foreign aid programs. Ernie spent much time explaining that his country was sincere in its desire to help needy nations. He found that the average German's picture of the United States is often derived from the military occupation and the movies, particularly pictures like "The Blackboard Jungle."

He tried to change many of these erroneous impressions in his conversations with the people he met, and, in turn, felt he acquired an appreciation of the qualities of the German people, and an insight into many of the problems which face a divided Germany.

Alan Hewitt said," I found the Greek people warm and friendly, and at the end of the first day I felt at ease and at home. I got to know the people, their customs, traditions and their problems."

Since New Smyrna, where Alan lived, is a suburb of Athens, he gained much appreciation of what Greece has meant to Western civilization.

He said, "The countries have given a great deal to each other. We have been aiding the Greeks since the World War, and we should, for it is one way to repay the tremendous cultural debt which we owe to the people of Greece."

Go to Church Sunday

Episcopal

The services at St. Paul's Episcopal Church, Walnut Creek, for the 17th Sunday after Trinity will commence with Holy Communion at 8 a.m. followed by morning prayer at 9 and 11 a.m. The sermon topic of the rector, the Rev. Wilfred H. Hodgkin, at both services of morning prayer will be "Grace, a Gift from God."

At 5 p.m. the service of evening prayer will be conducted by Garret Conklin, seminarian.

During the week following, Holy Communion will be celebrated on Tuesday at 6:30 a.m., Wednesday at 6 a.m., Thursday at 11:30 a.m. and Friday, the Feast of St. Luke at 11:30 a.m.

The Young People's Fellowship for junior high school age will meet at the church at 5 p.m. The new adviors of the group are Robert Hall, junior at the Church Divinity School of the Pacific, and Mrs. Charles H. Goethe.

Also on Sunday the Chi Rho group for high school students will meet at 7 p.m. New officers are John Husing, president; Peter Pelletier, vice-president; Martha Hunter, secretary; Judy Rogers, treasurer, and Susan Malnick, corresponding secretary.

The adult class on church history conducted by the curate, the Rev. Robert Tsu, will meet Monday at 8 p.m.

The Altar Guild will make its regular monthly corporate communion at 9 a.m., Saturday, followed by breakfast. Mrs. Wilfred Hodgkin is in charge of arrangements.

At a special parish meeting last Friday the following delegates were elected to the forthcoming Diocesan Convention, to be held on February 1 and 5: Mrs. Carol B. Diggle, Harold L. Morris, William H. Platt, David M. Robertson, Donald H. Rowe, Morton T. Swarth and Matthew S. Walker. Alternates: Paul H. Alexander, Mrs. L. P. Corbett, Harry H. Gester, Melvin E. Heinz, Richard E. Rogers, James Sears and Donald Tefft.

Baptist

The First Baptist Church of Orinda will begin its program this Sunday with Sunday school at 9:30 a.m. and with church service immediately following at 11 a.m. in the Willows banquet room at the Orinda Crossroads.

Sunday school is prepared for all ages, including adults. The morning service at 11 will be led by Pastor Bruce H. Parker.

Each Sunday there is special music of an instrumental or vocal nature; for those who come early there is a Vibraharp prelude.

Pastor Parker's message will be titled "Humanly Incurable."

The youth meeting will be directed by Roger Moore and will be held at 6:30 p.m. at 2 Crest iVew Drive. All teenagers are invited.

The evening singtime and devotional will start at 7:30, and the message will be "The General Blunders."

Baptist

Evening fellowship hour is scheduled for 7 o'clock Sunday.

There will be a prayer service at 7:30 p.m. Wednesday.

Episcopal

During the absence of the Rev. Albert Lucas, the Rev. Andrew Daughters will conduct all three services on Sunday at St. Stephen's Episcopal Church, Via Las Cruces and St. Stephen's Way in Orinda.

Holy Communion and family blessing will be celebrated at 8 a.m., with family morning prayer at 9:15. At 11 o'clock, the prayer service and sermon will be offered, with the St. Stephen's choir singing the anthem, "Grant Us Thy Peace," by Mendelssohn. John Rucker, a student of Choirmaster Donald Aird, will be at the organ.

During the next two weeks Mr. Lucas, rector of St. Stephen's Church, will attend the Church and Group Life Laboratory at Asilomar, near Monterey.

Borrowed from industry three years ago, the laboratory is one of 15 national seminars designed for Episcopal clergy, to study the behavior of people in groups, rather than their individual reaction.

Mr. Lucas will receive special training in observation, as preparation for his eventually taking over as part of the training staff. Well versed in this field, Mr. Lucas attended the first laboratory in the West, which was held three years ago in Salt Lake City.

FIRE PREVENTION Week in Lafayette found "Sparky," Dalmatian dog-mannikin, helping the local fire department spread the word about fire hazards and how to guard against them. Fire Chief Shirley Peakes (left) "shakes hands" with "Sparky" while Fire Marshal Robert Winkel places a friendly hand on "Sparky's" shoulder. This picture was taken at the main Lafayette fire station on Moraga Road. The mannikin, which gives taped talks on fire prevention, is a donation of the Contra Costa Insurance Agents Association to East Contra Costa Junior College. "Sparky" was loaned to the Lafayette Fire Department through Ward Cockerton, coordinator of the fire-training program of the Contra Costa Junior College District.

When Your Chance Comes, Give to United Crusade!

Do you have any children in the house?

Chances are, if you are one of our "average" residents in Central Contra Costa County, you do.

Do you personally know of a family member or friend who has had multiple sclerosis, cerebral palsy, a mental illness, or a similar affliction?

If you have children, the chances are that you have encouraged them to join the Boy Scouts, Girl Scouts, Camp Fire Girls, or Young Men's Christian Association.

If you have a friend who has had one of the afflictions mentioned above, the chances are they consulted the Mental Health Society or the Multiple Sclerosis Foundation . . . or the Council for the Retarded.

THE COUNTY-WIDE United Crusade Drive is now underway, and you will be asked to do your share to help it reach its goal.

Your single contribution to the United Crusade will directly benefit the following nine agencies which depend on this one fund drive for the majority of their support:

Young Men's Christian Association, Boy Scouts, Campfire Girls, Cerebral Palsy, Herrick Memorial Hospital, Girl Scouts, Mental Health Association, Salvation Army and Volunteer Bureau.

In addition, your contribution supports other agencies which are not conducting a fund drive in our particular area, such as the Red Cross, the Rheumatism Foundation and the Children's Hospital of the East Bay.

Many of these agencies which are not supported directly in our area maintain offices in the Bay Area and serve you and your family just as surely as if they were around the corner.

BUT WHAT ABOUT direct benefits? Could you really pay in dollars for the healthful experience your child receives from such organizations as the Boy Scouts, Girl Scouts, Campfire Girls and YMCA? Remember this when the opportunity to give comes your way.

Remember also, that we are fortunate to be able to give, even if we do not require the services of the organizations represented personally.

Everybody supports schools, whether they have children or not, because good education for youth will be responsible for a better world tomorrow.

IN THE SAME WAY, we can contribute to worthwhile organizations even if we personally don't need their services because it will make it a better world for somebody today.

Of course, the day may come when you may need one of these services, and you'll be thankful then that there is someone to turn to.

Take a look around you . . . at your family, your children, your home, and consider your investment. Then, when the opportunity to give to The United Crusade comes around, give generously.

You are helping the society in which you believe . . . your neighbor . . . but most of all, yourself.

A Thud, and It's Too Late

By DICK OSBORN

When it happens, it is over with before you know it, and you can only sit in stunned disbelief thinking "It wasn't my fault. I couldn't do a thing."

And then later, when you get home and can think about it more quietly, the terrifying thought that it could have been a child just as easily as a cat, springs into your mind.

Then you really can't stop thinking about it.

It is not a pleasant experience to hit an animal with your car, but sometimes it happens before you know it.

IT HAPPENED to my wife and me last week. I never saw the cat until after I had hit him and he was struggling on the pavement behind the car.

My wife saw him, but had no chance to say a thing before he darted from the side of the road and hit the car . . . or was hit . . . nobody will ever know exactly what happened.

But there was a sickening thud and it was done.

Even worse, is not knowing whether the cat is alive or dead, although he was obviously hurt . . . maybe seriously. Before we could get to him he had scrambled down a bank and into a huge area of heavy brush that defied attempts to locate him.

His owners we could locate, but even they could not find the hurt animal or get near him.

After having done all we could we went home, and got to talking about it.

THEN THE THOUGHT occurred: "It could just as easily have been a child!"

Near where we live there are several houses which are protected by large hedges along the driveways and walks.

Young children play in these driveways, and many times it has been a close thing when a scooter or wagon full of children suddenly appeared before the car and only good reflexes averted an accident.

It has never worried us too much before, because we have never hit anything . . . but after striking the cat . . . "next time, it could be a child."

We as parents, are the only ones who can protect our children. We must provide them with safe places to play and post "off limits" areas where the children would be in danger.

Of course, the driver must be careful, and should drive with extra caution through our many fine subdivisions and along our beautiful roads.

BUT SOMEDAY it is going to happen . . . and in a situation where it isn't the driver's fault.

A child will dart from the side of the road, there will be a thud, and that will be that.

And it won't do any good to talk about "fault" then. It will be too late.

It's bad enough to strike an animal . . . it takes some of the glow from your life to know that you have destroyed another, even unavoidably . . . but if it were a child it would make a permanent scar on your mind.

Take a good look at where your children are playing. Is it really safe?

And if you're driving, for heaven's sakes be CAREFUL. I'm lucky. I've been warned.

"UGH!! DO I EVER FEEL AWFUL . . ." This Contra Costan seems to be saying as the flubug puts him flat on his back for a few days. Thousands of residents have suffered from the flu over the past several weeks.

Satellite Proves Russian NKVD Ain't Everywhere

By Pat Pending

What do we care if the Russians have launched a space satellite that goes "beep"? I predict that it will never take the place of Old Luna to couples parked in Lovers Lanes.

Besides, maybe if the Russians decide to Communize outer space, they will have less time to spend putting the World in the Red. I can just imagine Ivan sighting the Soviet Moon through his binoculars and saying to himself:

"Anyway, there's something Russian that's beyond the reach of the Secret Police!"

"Anything beyond the reach of the secret police has to be rushing!

We can't worry about ICBM or satellites—the World Series is still on and shoe polish on a baseball is important—at least, to the Milwaukee Braves. This is the period of the American Year when salesmen's cars seem to break down; when business executives somehow can't be contacted; when housewives do their ironing in front of the television set to watch a sporting event; and when—no matter where one goes—he is never beyond ear-shot of a radio describing the innings play-by-play. This is World Series time. This is America!

A friend of mine is a great baseball player. He's in the big league. But he has never been permitted to play in a World Series. Why? He simply cannot grow a beard! He doesn't HAVE to shave! Gillette made me put this in?

Now, about this so-called "Asiatic Flu":

I have secret information that indicates it started from a Chinese chimney. We've gotta put a damper on it! We may do this through financial aid to China and I want to advise any readers interested in contributing, to send all checks made out payable to me in care of this paper. I assure you, such checks will NEVER aid the Communists!

This influenza is NOT another Russian first. It is simply the good, old, American Flu—and we thought of it first!

The Age of Chivalry is making a come-back . . . in reverse! Knight is accolading Knowland but it is doubtful if the flat of the sword is being laid on a shoulder!

In fact, Attorney General Brown has hopes that Senator Knowland's Rubicon quote:

"The die is cast!"

May also be reversed to:

"The cast will die!"

Then, the Democrats will ring down the final curtain on the race for the governorship. Many happy returns—candidates.

A Short Column In-flight To an Air Force Show

By HERMAN SILVERMAN

This will be a short column.

I am writing this in an Air Force transport plane flying from El Paso to New Orleans.

In the plane are newspapermen and civic leaders from Oregon, Washington and California. Other planes are coming from all parts of the nation.

We have been invited by the Air Force to witness the semi-annual Air Force firepower demonstration at Elgin Air Force Base, Florida. This is 300 miles east of New Orleans, near Pensacola.

The latest equipment and aircraft will be demonstrated and the latest tactics shown. There will be sonic booms, created both by diving aircraft and by planes in level flight past the grandstand. Bombing techniques also will be shown, as will strafing runs by jet aircraft.

We departed from Hamilton Air Force Base in Marin County with stops at El Paso and New Orleans.

The trip is fun and interesting. Wish you were here.

Letters to The Editor

FLUORIDATION

Dear Editor:

Those who are for fluoridation are selfless in their devotion to the cause which will aid our younger children and succeeding generations. No greater contribution can a person make than to foster a program which will benefit others for generations to come. We have inherited vast advantages that make our life a better one, and it is for us to make further contributions to those who follow us.

The American Dental Association states that fluoridation is inexpensive. Clarifying their statement they report, "The cost varies in different cities, but an average of about a dime a year can bring younger children the benefits of 60-65 per cent less tooth decay. For about 5 to 14 cents a year, often less than the cost of a glass of milk, youngsters con have better teeth, better health."

The purchase of individual fluoride tablets are costly, and furthermore a voluntary individualized measure which cannot become the most practical and effective way toward the prevention of dental decay.

Recent research by the A.D.A. has shown that, in addition to those who would benefit during the first eight years of life with fluoridation, there are older individuals who would also have protection.

"Individuals who are older when they begin drinking water that contains the desirable amount of fluoride may receive some protection against dental decay, but not as much as the younger children. The protection continues throughout life and eventually the entire continuous-resident population of a community will be receiving full benefits from fluoridation.

Relative to the report attributed to the American Water Works Association Journal of September, 1951, the following is submitted for consideration: If the charge that fluoride could "corrode pipes" were true, the wide acceptance of fluoridation in our country would be impossible. In making information more current, the American Water Works Association, meeting in Chicago, Ill., June 12, 1955, reaffirmed its original approval of fluoridation dated June, 1949.

As I have previously stated in the past months the majority of information which I have presented originated from the American Medical Association, American Dental Association and our local, state and federal public health associations.

I sincerely believe that the American people can rely on their medical associations, which represent the overwhelming majority of medical opinion, as the true source for objective authoritative material on medical and health questions.

The facts presented in the past months have stimulated an initial group of 25 Orinda residents into forming an independent committee for the purpose of education and information o fthe benefits of fluoridation for our community. In the Lafayette area Mr. and Mrs. Sam Goldeen head a sizable representative group in favor of fluoridation. Both groups are open to further membership by those interested.

Please contact by telephone or postcard:

R. W. Leland, 15 St. James Court, Orinda; CL 4-2164.

Mrs. Sam Goldeen, 3305 Mildred Lane, Lafayette; AT 4-4667.

NEWSPAPER WEEK

Dear Editor:

On the occasion of National Newspaper Week it seems appropriate to commend local newspapers for their service to the community in publishing material relative to activities of local clubs and organizations.

Larinda Toastmasters, as one such club having received excellent cooperation and service from The Sun, takes this opportunity to thank you and wish you continued success during National Newspaper Week and those to follow.

GORDON FORREST

APPRECIATION

Dear Editor:

As the City-County-State Thoroughfare survey is reaching its climax of appeal for public response to 160,000 postcards sent to motor vehicle owners, I want to personally express to The Sun my sincere appreciation of the paper's assistance in carrying to the public a very vital message on highway planning.

The assistance of The Sun, the donating of generous space to a coordinated highways study program that has highway users themselves as participants, will figure very prominently in any success we achieve.

I know that I can also convey to you the appreciation of Supervisors M. F. Nielsen and Ray S. Taylor.

Again, my wholehearted appreciation of your important contribution in an important public survey.

VICTOR W. SAUER,
County Public Works Director.

FLUORDIDES

Dear Editor:

Mr. Moorehead states he is now giving his children fluoride in their water. This is a perfectly sound and ethical treatment if he wants them to have it. But he goes on to say that because children drink considerable water away from home, and because the public should not be denied fluorides, all public water supplies should be mass fluoridated. At this point we part company.

What of the aged, the inform, the little leukemia and polio patients, those suffering from impaired kidney functions, diabetes, ulcers, eczema and skin or stomach trouble? Those suffering allergies of different kinds? Are they all to be dosed with this deadly toxic sodium fluoride? In spite of their protests and without their consent.

ARTHUR C. FORD, commission of the New York City Department of Water Supply, writes (and for Mr. Kahn's information it is not quoted out of context):

"No one has made a claim that the ingestion of fluorides can be of benefit to the teeth beyond the formative years of childhood. Because of this, and for reasons of safety and economy, this department has proposed that the city distribute fluoride tablets through the health stations free of charge of parents to administer to children. The cost to the city, ascertained at less than 25 cents for a thousand days' supply for each child, would be less than one-fifth of the cost of a fluoridation water program. Tablets, a pharmaceutical grade in contrast with the commercial by-products used in water fluoridation, would provide an exact procedure, under control, to be taken only by those during the formative period of their teeth."

"Fluoride, besides being a toxic substance, is not all excreted when taken into the system, a significant percentage remaining cumulative. Fluoridation of the drinking water at any level of concentration is a very indiscriminative procedure, since children drink widely varying amounts of water. The daily intake of one child often differs greatly from that of another who may drink milk, fruit juices and soft drinks in abundance."

"THE PEOPLE of the City of New York are entitled to know the risks they are being asked to assume before endorsing a program involving so many questions unanswered."

For Mr. Moorhead's information, the Pharmacist's Red and Blue books list a number of fluoride drops, capsules and tablets, for example, "Fluri-Sol," "Cal-Flur" and "Bone-All," which may be added to water, milk, fruit juice or cereal, thus giving the exact amount of daily dosage desired without having to depend upon how much water a child drinks or where he drinks it. This strikes me as being a much more sensible method than forcing EVERYONE to take the stuff. If you are constipated why should I have to take castor oil?

Realtors Hear Crusade Talk

"Social Problems That Arise In A Rapidly Expanding Community" was the topic of a talk by Drummond McCunn, superintendent of the East Contra Costa Junior College District, at an overflow meeting of the Contra Costa Real Estate Mart recently.

McCunn spoke on the importance of this year's United Crusade campaign in relation to the real estate profession.

"I strongly urge each of you to concentrate not only on the realization of the importance of this year's campaign, but in giving it more thought and constantly talking and carrying the message of the Crusade to your many contacts with the public," he said.

"Last year $44,000 was raised here in Diablo Valley, and $77,000 was allocated to the agencies. This year $53,000 is to be raised here with $135,000 to be distributed. This increase is required by Crusade member agencies because of the increased population and costs of service."

He also mentioned his concern about the lack of "personal contributions or the small gift that does not begin to meet the actual needs of the health and social welfare of the community."

Letters to The Editor

NEWSPAPER WEEK

Dear Editor:

As National Newspaper Week draws to a close, may we, of the Mt. Diablo Council, Boy Scouts of America, express our gratitude to you and your staff for the excellent cooperation and many courtesies which you have extended to us.

We commend you and your people for a job exceptionally well done. It is a privilege to be identified with you.

May the months and years ahead, continue to bring you much joy and happiness because of your service to your community and country.

OTIS O. FULLER

THANKS

Dear Editor:

Mayten Branch, Children's Hospital of the East Bay, wishes to thank you and The Sun for the wonderful publicity and story coverage on our most successful Country Fair ever held.

It is a pleasure to work with such a cooperative and responsible newspaper.

MRS. E. F. WINTHERS

FLUORIDATION

Dear Editor:

I would like to call your readers' attention to the article on fluoridation appearing on page 15 of the September 16 issue of Newsweek Magazine.

In it, World Health Organization clearly speaks out in favor of flouridation and substantiates the claims for benefits already made in the columns of your paper by those urging fluoridation. This we know is just another in the list of credible health, medical and dental organizations which endorse fluoridation.

Figures from accumulative studies covering the last five years in our own local schools should convince us that we are in need of any recommended measure—which would improve the dental health of our children.

Only one half of these teeth had received treatment. Again let us be reminded that according to the studies cited previously in your columns and again now confirmed by World Health Organizations that had these children had fluoridation these caries would have been reduced up to 60 per cent.

Wacker Named Head of TB Drive

Kenenth McPhee, president of the Contra Costa Tuberculosis and Health Association, announced today the appointment of George W. Wacker, Administrator of Richmond Hospital, as the 1957 Christmas Seal Sale Chairman for Contra Costa County.

Wacker has served on the association's case-finding committee, as both program committee and administrative committee coordinator, vice-president, and is now president-elect of the association.

Concord representatives on the association board of directors who will help Wacker with the tuberculosis association's fund drive are James Wigton, 5115 Laurel Drive, Julian P. Newman, 3210 Cowell Road, Concord and Rev. A. Ray Petty of of the Hillcrest Congregational Church in Pleasant Hill.

They will help with the preparation of the mail, the typing of labels, the stuffing of the envelopes, the securing of volunteers, and the many other jobs connected with getting the Christmas Seals into the mail by November 15.

Christmas Seals are the only financial support of the Contra Costa Tuberculosis and Health Association and go toward the promotion of such programs as the tuberculin testing survey among the school children in Brentwood and Richmond, held last year and to be repeated this year.

Other projects of the TB Association include the hospital admissions x-ray program at the county hospital, work with the TB patients at the county hospital and Weimar Sanatorium, a grant of $2000 to the Medical Research Committee of the California Tuberculosis and Health Association to help finance medical research against tuberculosis, health education, coperation in the annual Nurses' Workshop.

A two week health education workshop for school health personnel held at the University of California, work with the county health department on the mobile chest x-ray unit, the supplying of tuberculin testing materials to the physicians of Contra Costa County, the sponsorship of work simplification clases for tuberculosis patients at the county hospital, a financial grant to the Richmond Sheltered Workshop, and participation in the Northern California Radio-Television Council for Tuberculosis Education.

Beverly Abbie Recites Vows With Jack Pillsbury

Beverly Abbie and Jack Pillsbury pledged their eternal devotion in the Walnut Creek Presbyterian Church, September 28, and after congratulations on their marriage at a reception, left for the Cazanoma Lodge on the Russian River.

The young couple will live at 1278 Carmel Court, Walnut Creek.

Beverly, who played "Sharon" in the production, "Finian's Rainbow" at the Woodminster Theater during the summer, wore a full length gown with a chapel train.

HER GOWN OF white crystallette and lace had a scoop neck, with full length sleeves coming to point over the wrists.

The fingertip veil was held in place by a crown of seed pearls. Her flowers were baby yellow roses and stephanotis. She wore a string of pearls which were a gift from Jack.

Mrs. John E. Teverbaugh of Concord, a sister, was matron of honor. Attendants were Beverly's other sister, Verna, Ina Mae Cockerton and Mrs. Edward Lucas, both of Walnut Creek.

Russell Sievers of San Francisco was best man and ushers were A. Wrancis Pillsbury Jr., of Palo Alto, a brother, also Edward Lucas of Walnut Creek, and Robert Ruffner of San Bruno.

THE REV. JAMES Upshaw performed the ceremony. Beverly was given away by her father, A. G. Abbie of 1200 Kendall Court, Walnut Creek.

Soloist was Miss Virginia Blair of Lafayette, Beverly's voice teacher.

Beverly is a 1953 graduate of Acalanes High School, and for five years has been a member of the Oakland Light Opera Association. Her portrayal of "Sharon" in the "Rainbow" musical culminated several years of study and work.

Jack is a graduate of Lincoln High in San Francisco. He attended San Francisco City College for two years, and is in business with his father in Walnut Creek.

Parents are Mr. and Mrs. A. F. Pillsbury of 719 Grayson Road, Pleasant Hill, and Mr. and Mrs. A. G. Abbie of 1200 Kendall Court, Walnut Creek.

Crestview Jrs. & Srs. Set Dance

The Crest View Junior Woman's Club in conjunction with the Crest View Woman's Club of Pleasant Hill will hold a Harvest Ball at the Elks Club in Walnut Creek October 19.

The proceeds will go to the Club House fund. The Junior chairman is Mrs. William E. Thompson and the Senior chairman Mrs. K. R. Butterfield. Music will be by Paul Michael's band.

This week the Crest View Junior Woman's Club of Pleasant Hill has been helping to guide visitors at the Health Fair which was held at the new County Health Department Building in Martinez.

The Crestview Junior Woman's Club is currently addressing approximately 50 letters a month for the Polio Foundation. These letters are mailed to parents of six month old babies urging them to avail themselves of the polio shots.

A TOAST to their future happiness is offered by newlyweds Mr. and Mrs. Kenneth Godfrey Foss. The bride is the former Ellinor Pauline Gaillard, daughter of Mr. and Mrs. John Gowdin Gaillard of Hidden Valley, Lafayette. The groom is the son of Mr. and Mrs. F. J. Foss of Ontario, Canada. The wedding took place at the Orinda Country Club September 28. The newlyweds will make their home in Lafayette. Arthur Odell photo

Joyce Moroni Is Doman Bride

A wedding gown of white chantilly lace was worn by Joyce Moroni for her marriage recently to John Edward Doman of Nampa, Idaho. The marriage was solemnized in the Idaho Falls Temple of the Church of Jesus Christ of the Latter-Day Saints.

Joyce is the daughter of Mr. and Mrs. Anthony Moroni of 190 Via Del Sol, Pleasant Hill. John is the son of Mrs. Elaine W. Garner of Nampa, Idaho. The young couple met last year while attending Brigham Young University in Provo, Utah.

Accompanying the bride and her fiance to Idaho for the wedding were the bride's mother and her brother, Skippy.

Immediately following the solemn church ceremony, the couple and their families were entertained at a luncheon held at the home of Mr. and Mrs. Thomas Andrus in Ukon, Idaho.

That evening a reception was held at the home of Bishop and Mrs. Floyd Wood of Rigby. On the following Monday evening, a "Meet the Bride" reception was held at the home of the bridegroom in Nampa.

Following a brief honeymoon, the couple returned to Walnut Creek until leaving for Brigham Young University.

JUNE PLANS are being made by Joan Crew and Ronald Fedelli, who announced their engagement at the 25th anniversary wedding celebration of Joan's parents, Mr. and Mrs. Raymond Crews, 81 Greenway Drive, Walnut Creek .

Emma Lou Thompson Is Married

Rites in the Walnut Creek Presbyterian Church united Emma Lou Thompson of Walnut Creek and George Blodgett of Lafayette as man and wife, September 27.

The couple left for their honeymoon in Northern California and Oregon, and planned to make their first home in Oakland next week.

The bride spoke the words which conferred her new status while attired in a white slipper satin dress with bodice overlaid with paint d'Alencon lace. The skirt swept into a train.

SEED PEARLS and matching Alencon decorated the bonnet of the bridal veil, which reached to the fingertips.

She carried lily of the valley and a white orchid on a Bible.

Her matron of honor was her sister, Mrs. Beverly Hanawalt of Walnut Creek. The attendants were Sally Salmen of Pleasant Hill, Joan Crew of Walnut Creek and Betty Wilshusen of Walnut Creek. Flower girl was Peggy Salmen, and ring bearer was Craig Flores of Whittier.

Emma Lou was given away by her father, Lawrence Thompson of Walnut Creek. Rev. James Upshaw performed the ceremony.

GEORGE'S BEST man was Robert Moore of Lafayette. Ushers were Wesley Nelson of Berkeley, Joseph Davi of Lafayette, Don Unruh of Oakland.

Emma Lou is the daughter of Mr. and Mrs. Lawrence Thompson of Walnut Creek. She graduated from Las Lomas High School, and attended Contra Costa Junior College for one year.

She is a past president of G.A.A. of Las Lomas and is a past worthy advisor of Rainbow Girls Assembly.

George is the son of Mr. and Mrs. Kermit Blodgett of Lafayette. He graduated from Acalanes High School, and attended Contra Costa Junior College engineering club.

At San Francisco State College, he is a member of Delta Gamma Tau fraternity and the business club.

Foss-Gaillard Vows Recited At Country Club

The marriage of Miss Ellinor Pauline Gaillard, daughter of Mr. and Mrs. John Gourdin Gaillard of Hidden Valley, Lafayette, and Kenneth Godfrey Foss, son of Mr. and Mrs. F. J. Foss of Ontario, Canada, took place September 28 at 8 p.m. at the Orinda Country Club.

The ceremony was performed in the beautiful library of the club, which was decorated with white stock and carnations for the occasion.

The bride was given in marriage by her father. She wore an ivory satin wedding gown, made in a period style with a chapel train.

HER FINGERTIP veil of illusion net was held by a crown of brilliants and fresh phalanopsis orchids. She carried a carnation and phalanopsis lei in the same shade of ivory as her gown.

Her attendants were her three sisters and her niece. Miss Lillian Gaillard was her maid of honor and Mrs. Warren Dexter and Miss Janet Gaillard were her bridesmaids. Little Peggy Anne Dexter was the flower girl.

The attendants wore embroidered silk organza gowns in shades of salmon and pink. They carried pink carnation leis and wore gardenias and orchids in their hair.

PAUL EPPERSON of Lafayette was the best man. Warren Dexter and Edward (Ted) McHale were also in the bridal party.

The bride's mother wore a gown of American beauty chiffon with shoes to match. Her corsage was of white orchids.

Juniors Spend Busy Weekend

Two important activities kept the Lafayette Suburban Juniors busy last weekend.

Attending the Alameda District Conference of Junior Clubs on Saturday at the Cottage Dining Room in Oakland were the Mesdames Edward Allen, Elwood Helrich, Raymond Neff, George Sanko and William Hawkins.

Prospective new members of the Suburban Juniors were honored at a membership tea held on Sunday at the Camino Colorados home of Mrs. M. E. Barckley.

Initiation of new members will take place next Thursday evening. Mrs. R. Richardson, membership chairman, is in charge. Mrs. Carter Collins, a California representative of UNICEF, will be the speaker.

Stompers Dance At Mayten Fair

The Concord Stompers, a square dance group from Concord performed recently at the Mayten Branch country fair.

The women's costumes were highlighted by billowy skirts and the men were flashinly sporting yellow string ties and boutonnieres which were printed "Concord Stompers."

The group has performed for various local lodges, hospitals, schools and have appeared on Channel 7 and 13 TV stations.

Two Groups Now In Full Swing Of Lafayette Unit

Two groups which are already in full swing are the Arts and Crafts and Workshop Sections of the Lafayette Women's Club, headed by Miss Dorothy Miller and Mrs. C. A. Rhodes.

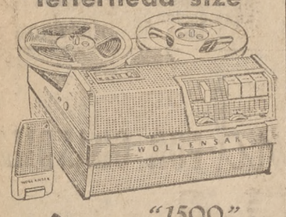

They both meet the first and fourth Tuesdays at 10 a.m. in the Veterans Memorial Building, Lafayette. However, the Arts and Crafts hold meetings the second and third Tuesdays at Mrs. Kora Powell's home, 3562 Boyer Circle.

Many lovely things are created during the sessions for both the club and individuals.

One special event coming October 29 for which the artistic members are making prizes, is the dessert card party planned by Mrs. George Pedersen at the Veterans' Hall.

Champagne, Jewels, Guns To Be Featured Tomorrow

Something for every taste is promised Valley Art Center members tomorrow afternoon at the "Champagne and Blue Velvet" benefit to be held in the luxuriant outdoor gardens of the Frank M. Cashins, 1611 Orchard Lane, Walnut Creek.

The beverage par excellence of festive occasions will be dispensed by the Paul Masson, Weibel and Almaden wineries from 4 to 7 p.m., acording to J. Gordon Ainsworth, Orinda, general chairman.

Mr. and Mrs. William Wilkinson, Orinda, exhibition chairmen, stated that an impressive array of elegant jewelry glittering with gold, silver and precious cut stones will be shown by Metal Arts Guild members and local exhibitors.

OF SPECIAL interest to sportsmen and connoisseurs of firearms will be an exhibit of elaborately engraved modern guns. The display from the collection of Orville J. Kuhl, Walnut Creek, consists of rifles, shotguns and revolvers which he has decorated with his own special process over a period of 46 years.

Included is a Model 11 Remington, described by the engraver as the most elaborately gold-inlaid gun in the world. The owner sets a value of $10,000 on this gun, which he uses regularly for hunting ducks and pheasants. The bas-relief engraving is inlaid with five colors of gold and platinum.

Kuhl considers a pre-war Colt Woodsman .22 automatic pistol the "jewel" of his collection. It is inlaid with a design featuring a squirrel with 83 oak leaves and acorns in 24-carat gold, and the entire surface is gold plated.

THE GUNS, all objects of art, are custom deluxe grade with special handmade stocks. Some, in use 15 and 20 years, show little visible wear.

In the "blue velvet" category, Kay Lane, Berkeley jeweler and member of the Metal Arts Guild, reports that Byron and Sally Wilson, Oakland, will show prize-winning silver and gold necklaces and pendants.

Byron Wilson was the first prize winner in the jewelry division at the 1957 California State Fair. He has exhibited at the San Francisco Museum of Art and the Museum of Contemporary Crafts in New York and is the winner of the coveted Hickok Award. Mrs. Wilson is also an award-winning jeweler. Much of their jewelry is in the Haida North American Indian style.

KAY LANE'S featured piece is "Icicle," a fringe bib of sterling silver with pearls, which was shown at the 1957 DeYoung Museum's Designer Craftsmen Show.

Her Egyptian necklaces are fashioned from ancient beads dating from 1900 B.C. to 800 B.C., which she excavated in Egypt during her study of Egyptology.

Ranging from brilliant blues to blacks, carnelian and gold, the necklaces and earrings, elaborate and intricate in design, are for formal wear.

THE HOSTESS, Mrs. Frank Cashin, gives instructions for reaching the party site.

"From South Main in Walnut Creek, make a right turn to Orchard Lane, opposite the Elks Club, and proceed two blocks. Signs will mark the location," she says.

Hostesses and committee members for the event include:

Mesdames E. F. Cardin Jr., Lyle Lund, Howard Stafford, Frank Malley, George Monheit, Stanley MacPherson, Rawlings Simon, Irving Roemer, Phillip Merrill, William Ornduff, John Ellis and Harold Powell, Lafayette; Mesdames J. Gordon Ainsworth, John Hildreth and Arthur Sassone, Orinda; Mesdames Robert Clough, Peter Howard and Arthur Wagstaff, Walnut Creek.

Orinda Women Set Initiation Rites for Monday

On Monday, the Orinda Women's Club will hold its initiation meeting at the Glorietta School. Twelve new members will be initiated at a formal candlelight ceremony at 8 p.m.

New members will participate in informal skits portraying famous paintings or art objects. Working on the skits with the new memebrs will be Mrs. Carl Schroeder, membership chairman, and Mrs. Gene Estes, entertainment chairman.

The Orinda women being initiated include Mesdames William Van Voorhis, Jack Wallace, Harold Staff, William Gordon, Henry J. Soubielle, Wilbur Stephens, William Thompson, John Slaughter, Clifford Benjamin, Alan McDowell, Stephen Stewart and Holland DuBois.

The evening program will conclude with an exhibit of art works either done or owned by club members.

Refreshments will be served by the committee headed by Mrs. C. Freeman Bishop, Mrs. Richard Funk, Mrs. Richard Bottjer, Mrs. Norman Brooks and Mrs. James Byers.

Jewish Women Expect 100 At Member Tea

Once again the annual Membership Tea of the League of Jewish Women will be held Wednesday afternoon at 1 p.m., at the Jewish Community Center Building, Lafayette.

Well over 100 members of the League will take this opportunity to welcome the new and prospective members and to acquaint newcomers to the area with the activities of the League in particular and the Jewish Community in general.

Mrs. David Spellman, of Lafayette, membership chairman, is being assisted in arrangements by members of her committee: Mesdames Sy Sherman, Milton Greenstein, Emanuel Sidorsky, Joseph Katzburg, Norman Daneiko and Nadine Simmons.

In addition, Mrs. Harold Roth, social chairman, and Mrs. David Barroway, hospitality chairman, are aiding Mrs. Spellman and her committee.

Harvey Susser, talented young folk singer and guitarist, will entertain.

Irene Long Will Direct DeMolay Moms

New officers of Las Trampas Chapter, Order of DeMolay Mothers' Club, will assume their duties at the monthly meeting Monday at the Masonic Temple.

Irene Long, president, announced that the following mothers will assist her: Lieu Gray, vice president; Wanda Rose, recording secretary; Mrs. R. Stratten, corresponding secretary; Lottie Ashley, treasurer; Lottie Fernandez, publicity; Doris Hazlette, parliamentarian; Alice Berry, hospitality; Kay Connelly, sunshine; Dorothy Stauffer, historian.

Laurel Junior's Gala Show Will Feature 'Your Week'

Invitvations appropriately announcing "This Is Your Week" bid members and friends of Laurel Junior Branch, Children's Hospital of the East Bay, to the fashion luncheon the Branch will stage tomorrow at Diablo Country Club.

Guests of honor at Laurel Juniors' annual hospital benefit fete will be Mrs. Harold W. Jewett Jr. (nee Emelyn Knowland), who is the Branch's candidate for queen of the Headdress Ball being held later this month.

Themed to exploring the fashion possibilities of a busy day-by-day week, the fashion show will have young married to matron models promenading in a complete Monday through Sunday wardrobe geared to the activities of a busy week. Robes, sportswear, casual and dressy ensembles, semi-formal attire, coats, furs and accessories from a smart San Francisco store, H. Liebes, will be shown.

"We are thrilled with the prospect of showing 15 to 20 original designs from Europe. These imports will arrive five days prior to our event and we have been asked to introduce them first in the Bay Area," announces Mrs. David E. Fink, active Laurel Junior member and professional model, who will lend her experience and talents to coordination of the show.

Commentating will be Bud Pike, instrumentalist and vocalist with the Maurice Anger Trio and former radio personality and columnist.

Other gentlemen adding a debonair note to the afternoon's entertainment will be Messrs. Robert Cox and Sherman Adams of the Berkeley Tennis Club. They will escort the lovely models descending the promenade ramps.

Models, drawn from the various Branches of the hospital, will be Mesdames Clyde Diddle, Hill Juniors; William Keating, Lombardy; Mel Nielsen, Walnut; Harry L. Phillips, Laurel; Homer R. Spence, Laurel; Emerson Wiser, Alder, and Mesdames Lloyd E. Kindall Jr., Harlan Littlejohns; H. B. Turner Jr. and David E. Fink, all Laurel Juniors.

Wearing fashion-wise but practical children's attire will be six-year-old Sandy Avery and Master Rusty Snow, 8.

Mrs. Frank W. Avery, chairman of this year's fashion luncheon, organized her committees and held planning meetings before leaving Montclair for a Hawaiian vacation.

Proceeds from Laurel Juniors' party, which annually draws several hundred guests, will contribute to the party-pay care of small patients at the hospital, according to Mrs. James Cullom, Branch chairman. The Children's Hospital of the East Bay also receives assistance from the United Bay Area Crusade, funds from which underwrite the Assistance Program of party-pay care for needy youngsters.

Panhellenic to Stage Fall Tea

An afternoon of fun, with gay chatter over the teacups, is promised Panhellenic women who attend the Annual Fall Tea sponsored by the Panhellenic Alumnae Association of the San Francisco Bay District.

The event is scheduled for 1 p.m. Wednesday at the Alumni House on the University of California campus. The guest list will include women from both sides of the Bay.

Among those assisting Mrs. A. P. Cupit of Berkeley, chairman of the event, is Mrs. H. G. Noack, Sigma Kappa, Lafayette, in charge of arrangements.

Omicron Group Holds Rush Fete

The Omicron Chapter of Beta Sigma Phi gave a rush party at the home of Mrs. Thomas Beudet, 3328 Mildred Lane, Lafayette, recently.

Guests present were Mesdames Robert Werum, James Culver and Charles Baer.

Members present were Mesdames Orton Bergren, Raymond Ferrari, Robert Collar, Martin Forster, John Page, Robert Sayles and Chris Kallimani.

New Cardinal Therapy Unit Starts Action

The new Cardinal Unit of Lafayette became an official and active member to the Mt. Diablo Therapy Center upon the signing of its charter at the Therapy Center October 3.

Mrs. Juanita Benoy, administrator, and Samuel Bradbard, chairman of the Board of Directors, presented the charter to Mrs. Herb Phillips, president of the new unit.

Adding to the rest of the "bird family," the Cardinal bird was then placed on the familiar tree in the lobby of the Therapy Center by the unit's vice-president, Mrs. Aldon DeLancey.

The embers of the Cardinal executive committee are Mrs. Herb Phillips, president; Mrs. Aldon DeLancey, vice-president; Mrs. E. L. Hodges, corresponding secretary; Mrs. Dan Arena, treasurer; Mrs. Gene Arena, representative at large, and Mrs. George Burton, recording secretary. Mrs. Ray Cassani has been appointed publicity chairman.

Other members to sign were Mesdames Harry Askham, Lawrence Dini, Fern Elvin, Donald Schultz, Donald F. Smith, Vern Benmark, Earl J. Denner and Karl Matthes.

The unit has been busy planning its projects for the Mt. Diablo Therapy Center's annual Christmas Gift Box in the Broadway Shopping Center, Walnut Creek.

A membership tea is being planned for early in January.

DDD Alumns Stage Meeting

Members of the Delta Delta Delta alumnae gathered at the home of Mrs. Will C. Hall in Lafayette for theh first fall meeting recently.

The Halls' outdoor swimming pool was the center of activities for the afternoon swim party and box luncheon social.

Recorder's Trial Postponed Again: Slated for Oct. 28

The non-criminal trial of County Recorder Ralph Cunningham has been postponed until October 22, according to Willard Ballinger, clerk of the Contra Costa Superior Court.

The postponement was requested by both the district attorney and the defendant's attorneys so that they might attend the Annual Bar Association Convention this week.

The recorder's trial had been postponed earlier because of the death of the deputy district attorney preparing the case September 21.

Cunningham was charged by the Contra Costa Grand Jury under the stipulations of a Bill of accusation of malfeasance in office and chronic absenteeism from his duties.

Although no prison term or fine may be imposed by the court should Cunningham be found guilty of charges, he could be relieved of his position as recorder which he has held since 1934.

He is a veteran of 30 years of county service and has been opposed in the recorder election only once since he has held office.

Cunningham was investigated by the grand jury for allegedly permitting kickbacks in his office by James V. Todesco, senior clerk, to Jack B. Haule, an intermediate clerk.

Discoverer of Gibeon Well Is Speaker, Monday

Dr. James B. Pritchard of Berkeley, who unravelled the lost Well of Gibeon this summer, will address 400 Sunday School teachers and administrators in Walnut Creek Monday night at 7:45.

The meeting will be the first of three in-service education programs arranged by the Board of Christian Education of the Central Contra Costa Council of Churches.

It will be held in the Methodist Church, 1543 Sunnyvale Avenue, with a six-part workshop for Sunday School leaders.

Dr. Pritchard will speak on "How Archeology Helps Our Understanding of the Old Testament." He will refer to the final discovery this July of the underground spring which fed the Gibeon well. It was mentioned 43 times in the Bible, and was destroyed by King Nebuchadnezzar 585 years before the birth of Christ.

Expedition sponsors were the Church Divinity School of the Pacific at Berkeley where Dr. Pritchard is professor of Old Testament Literature, and the University of Pennsylvania Museum.

Dr. Pritchard, who is 49, has had a career as minister in the United States and England, author, editor, traveler and Biblical archeologist. At Walnut Creek he will be introduced by Dr. Drummond J. McCunn, chairman of the Council's Board of Christian Education.

Rev. Chauncey E. Blossom, council vice president, will open the session.

'Bermuda' Is St. Mary's Dance Theme

San Rafael's Bermuda Palms Hotel will be the tie tomorrow of the semi-formal Welcome Dance sponsored by the sophomore class of Saint Mary's College.

Honored guests at the social opener for the Gaels will be the freshman class which has just completed its initiation at the hands of the sophomores.

John Veglia, sophomore dance chairman from Sacramento, announced that the music will be by the Dick Reinhart orchestra, an eight piece combo from San Francisco.

Arrangements for the Marin County locale for the dance were conducted by Vern Piccinotti of Petaluma. Arranging for the band was Denis Kelly, Los Angeles. Ticket sales are being handled by Tom Mullen of San Diego. All are members of the dance committee appointed by Lee Liardini, 1259 Union St., San Francisco, sophomore class president.

Lost a Bike? Here's Easy Way To Get It Back!

Just ask Mrs. W. A. Turney, 475 Le Jean Way, Concord, how easy it is to find a lost bicycle. . . . that is, easy if you go about it the right way!

And Mrs. Turney found that advertising in The Sun classified pages gave her coverage . . . in five papers for one bargain price. . . . the kind of coverage that paid off with success immediately.

Contractors Will Hear FHA Speaker

Jack Tuggle, assistant director of the Federal Housing Administration, San Francisco, will address the membership of the General Contractors Association on the 1957 Housing Act, it was announced today by John Osmundsen, Walnut Creek, president.

The contractors are to meet at 7 p.m. Thursday at El Nido Restaurant, Lafayette, Osmundsen announced.

"The new legislation provides for reduced down payments on homes to be insured by the FHA and we felt that our membership should receive first hand advice of the interpretation and requirements of the FHA regarding the discount limitation, in order that they may best fully utilize the 1957 Housing Act to construct new homes for the future residents of our county," Osmundsen stated.

Tuggle, who has been with the FHA for over 10 years, will advise the home builders on the interpretation and regulations adopted by the FHA to meet the limitations on discounts provided by the Congress, Osmundsen said.

HIGHWAY STOPPING

When you stop your car on the highway, it's important that you pull completely off the roadway. Cars traveling at high rates of speed often are unable to stop for an unexpected vehicle parked on the highway. Don't take chances when you have to stop, pull off the roadway.

Girl Scouts Ready Kits For Crusade

Senior Girl Scouts of the Diablo Valley Area Girl Scout Council have again assumed the responsibility for preparing the 1800 solicitors' kits for the Residential Division of the United Crusade Campaign.

According to Mrs. Lou Bacigalupo, leader of Troop 64, who is supervising the girls, they ompleted their job early this week, in ample time for the distribution of the kits to the United Crusade volunteers.

"These teenagers are anxious to serve the campaign in the best way they can, because through their years as Brownie and Intermediate Girl Scouts they have come to learn from actual experience what the United Crusade means to the community and to themselves as a part of the ommunity," Mrs. Bacigalupo said.

"Our organization received 65 per cent of its total operating expenses from the campaign this year."

Among the girls who helped with this project are Joyce Aldrich, Susan Bacigalupo, Maureen Kunzig, Carol Lynn Masterteller, Kathleen MacNiel, Ann Miller, Patricia Ryan, Leeann Sowerwine, Darby Trainer, Laraine Warren, Georganne Zaro and Cheryl Sollis.

College to Fete 50th Anniversary

A half century of service as a Christian Brother will be celebrated by Brother Arcadius Patrick, F.S.C., of the faculty of St. Mary's College, tomorrow.

High point of the celebration will be a Solemn High Mass of Thanksgiving to be offered in the St. Mary's College chapel, starting at 10 a.m.

All officers of the Mass will be former pupils of the Golden Jubilarian.

Dramateurs Opening Slated For Tonight in Lafayette

The Dramateurs will open their fall production of Thomas Job's drama, "Uncle Harry," tonight at 8:30 at the Berkeley Little Theater, Allston Way and Grove Streets, Berkeley. This will play for two weekends — tonight, tomorrow night, next Friday night and October 19. Curtain time for each performance is 8:30 p.m.

A last-minute cast change was necessitated, and in true theatrical tradition, Bob Hanford has stepped into the shoes of Pete Duffy for the part of Blake. Bob, a resident of Lafayette, has previously been seen in Dramateur workshop productions.

The animal kingdom often has a part in Dramateur productions, and this play is no exception to the general rule. "Teahouse" had its goat, but "Uncle Harry" will have its dog.

This fine actor will be "Trooper," the 18-year old spaniel of Mr. and Mrs. Robert Harrison of Orinda. Bob Harrison, who is in this production, had this dog as a childhood pet, but left him with his parents when he married. Both Bob and his dog will make their debut with the Dramateurs tonight.

Once again you will see a fine stage set designed by Director Carl Rasmussen and executed by diligent members of the group. It will be interesting to note the facility in which the scenery changes are handled.

Both Betty Reynolds and Mary Tokich have been invaluable to Rasmussen as assistant directors.

BUFFALO HUNTING

The Indians of eastern New Mexico developed an efficient but dangerous method of buffalo hunting before the introduction of the rifle. Dressed in wolf skins, a hunter would creep into the center of a herd and kill two or three buffalo with a lance before the rest stampeded.

How telephone men fight metal-eating winds

Tony Gurnari and Vic Sculatti (left and right above) are part of a telephone metal-testing team. They're prying open what we call a terminal box. It's like the one to which telephone wires from your house are connected. But this one is frozen shut by a hungry metal-eater called corrosion. Corrosion can be caused by salt-laden wind, fog or ocean spray. It can rust, pit or crack tough metals. So we test to find metals that are economical to use yet resist corrosion. Telephone men also study other destroyers like wood rot, insects and even gnawing animals. By controlling such destroyers, we save thousands of dollars worth of equipment each year.

At the test site, Tony and Vic are at work learning new facts about corrosion by exposing metals to ocean winds and other elements. Their tests are part of our effort to lengthen the life of every kind of equipment serving your phone. At the same time these tests help us keep your service dependable.

Big Red Ram May Bump Don Tonight

SUN SPORTS

PH Back from Near Win In Pittsburg, Is 'Hungry'

Tonight finds one of the better games on tap as far as rivalry and competition are concerned when the Pleasant Hill Rams and the Acalanes Dons meet under the lights of Acalanes Memorial Field.

It marks the second league game for both. The Dons knocked off Antioch 6-0 last Friday night while the Rams came up with a sizzler and all but blasted the Pittsburg Pirates off the field only to lose a heartbreaker 7-6.

FANS ARE wondering just how good the Rams are and the Dons while a bit short on offense to date have been for the most part a good defensive team that doesn't get shoved around too easily.

The Rams are a "hungry crew" as proven by their terrific play and go into the game in the favorite's role.

Ram coach Hal Briggs has contended that this year's squad is his best yet and evidently they are out to prove it.

Satisfied with his players, Briggs has announced but one change in Bob Stice as defensive end for John Pratt, who up to now has been going both ways.

Don coach Jack Carhart announced that Mike Kritscher will get the call at quarter while George McMeens is slated for considerable backfield duty where he has shown to advantage in recent play.

SEVERAL CHANGES on the defensive unit find Mike Latone at wingback, Bob Dodd as middle guard, Jim Holdens at line backer and Dave Bojarsky back at twin safety with Lou Marello as his partner.

In last Friday night's game the Rams came up with the best effort ever when they rapped the Pittsburg Pirates both on the field and in the statistics column only to come up on the short end of a 7-6 final score. Rubbing salt in the wound was the fact that the Rams were on Pitt's one yard line when the final gun sounded.

The Rams fumbled and lost the ball but once in the game and it was a costly bobble.

IT CAME in the opening quarter when Pitt tackle Nick Gonzales took the ball in mid air and rolled 68 yards to score. Julius Exposito carried the ball over for what proved to be the all important conversion point.

Earlier, the Rams had scored, but it was nullified by a penalty setting them back on their heels a good part of the time.

In the second half luck and time saved the Pirates. Pittsburg got the ball but four times in the second half and didn't gain a single first down.

The Rams on the other hand rolled to 10 first downs and a game total of 19 to Pitt's 3.

IN THE FOURTH quarter Pleasant Hill used 16 plays in going 62 yards to score when fullback Leonard plunged the final yard in the end zone.

Halfback Tom Larschied was short on an attempeted conversion run. The Rams battled back again after holding Pitt and forcing them to punt and were on the one yard line when it all ended.

Pitt made 107 yards in the first half with 68 of it on the T.D. run. In the second half they made 27 yards while losing 20 for a net of seveyn.

The Rams' yardage total was 322 yards (282 rushing — 40 passing). The Rams gave the Pirates all they could handle and served notice that they had arrived as a football power. One thing certain the Pirates are happy they won't see any more Rams this season.

Scattergunners!! Duck Season Opens Tomorrow

Duck, Geese, Coot and Gallinules season opens tomorrow and will last until January 14, according to the Califorina Department of Fish and Game.

Scattergunners from all portions of the county are expected to head for the flyways early in the morning to try their luck at the age-old sport.

Before you head out, here are a few things you should keep in mind:

Waterfowl hunters 16 years of age and over must have a federal duck stamp (available at post office).

All hunters must possess valid state hunting licenses.

SHOOTING TIME: Shooting hours for waterfowl including black sea brant, cootts, snipe, doves and pigeons begin at one-half hour before sunrise and end at sunset.

Bag limits: (Daily maximum bag and possession limits):

Ducks: Nine birds (including not more than one wood duck and one hooded merganser). Such limit of nine ducks must contain not less than three widgeons or three pintails or three in the aggregate of widgeons and pintails.

The bag limit on American mergansers and red breasted mergansers is five per day. 10 in possession, singly or in the aggregate of both kinds, without regard to the bag and possession limits on other ducks.

Geese: For all of California except Fish and Game District 22 (Imperial County, eastern portion of Rivervside County, southeasterns San Bernardino County), six geese in bag or possession. Such limit must contain not less than three snow geese and not more than three geese of the dark species. For Fish and Game District 22, six geese in bag or possession. Such limit must contain not less than three snow geese and not more than three geese of the dark species other than Canada geese (including its subspecies). No Canada geese (or its subspecies) may be taken in District 22.

Coots and Gallinues: 25 birds, singly or in the aggregate.

PROHIBITIONS: Species protected at all times: Ross's goose, swans, grebes, loons, puffins, auklets, murres, gulls, terns, shearwaters, petrels, brown pelicans, ibis, bitterns, herons, egrets, cranes, rails and all shorebirds (except jacksnipe).

Live decoys prohibited. Amplified bird noises prohibited.

Automatic loading or repeating shotguns capable of holding more than three shells or shotgun plugs which may be removed without disassembling the guns are prohibited.

Shotguns larger than 10 gauge, rifles, pistols and sink boxes are prohibited.

Shooting from power boat (unless fastened within or tied immediately alongside any type of stationary hunting blind) sail boat under sail, automobile, aircraft, is prohibited. On state managed waterfowl shooting areas 10 gauge shotguns are prohibited.

Note: Nothing shall exclude the picking up of injured or dead waterfowl or cots by means of a motor boat, sail boat or other craft.

Don Eleven Ekes Out 6-0 Win

The Acalanes Dons play the Pleasant Hill Rams tonight under the lights of Acalanes Memorial Field and while the Dons are at home, in reality they are visitors as it's the Rams home game.

The Rams have no lights of their own so are borrowing the facilities of the Dons.

THE RAMS PLAYED a terrific game only to lose to Pittsburg 7-6 last week and on the basis of that showing the Dons will have their hands full.

Last Friday night the Acalanes eleven eked out a 6-0 hard earned win over the Antioch Panthers who were "trouble" all the way.

The Acalanes score came midway in the first quarter when quarterback Mike Kritsche recovered a fumble on Antioch's 38.

The Dons scored but did it the hard way.

Kritscher missed on a first down pass then halfback Lou Marello found light at right tackle and scooted 14 yards. Halfback Stuart Busby lost 6 at left end. Kritscher missed on another aerial, Marello made a yard on a wide run to the left then halfback Dave Bojarsky went 18 yards to the one foot line on a reverse.

HALFBACK Bob Marello swept right end, using an official to good advantage to score. The conversion kick by Busby was wide and the scoring was over for the night.

It was a see saw battle the rest of the way. Antioch threatened but the Dons defense toughened in the clutch.

In statistics Antioch had a 10-5 edge in first down and went for 160 yards to 136 for the Dons on the ground.

THE PLEASANT HILL RAMS take on the Acalanes Dons tonight under the lights at Acalanes Memorial Field. Returning from a terrific game against the Pittsburg Pirates will be linemen, from left end Warren Millham, Doug Jones, Dan Jackson, Tony Bean, Tom Foley, Butch Crowder, John Pratt. Backs are Tom Larsheid, Dud Buffa, Roger Leonard and Dan Ipson.

AFTER THE GAME on September 20, Aalanes football rooters had a gay time at the Veterans Memorial Building, Lafayette, at a student dance sponsored by the Lafayette Junior Chamber of Commerce and American Legion Post 517. Left to right are Pam Phillips, Dennis Brady, Sharon Hayden and Link Van Ummerson. They're cheerful even though Acalanes lost to the Alhambra eleven at Aalanes Memorial Field in a practice tilt, the Dons' first game of the season.

Avon Breaks There-way Tie

The three-way tie for first place in the Wednesday morning Monument bowling league was broken when Avon Cosmetics defeated Comparoni's Texaco, winning all four games.

Avon leads with 11 wins, one loss. The Texaco team has dropped into a tie for fifth with Team No. 15.

Navlet's takes second place with 10 wins, and two losses. Team No. 2 now ranks third and Almo Jewelers fourth.

Ambrosoli took top honors this week with the first 205 game of the season, and was also credited with the highest three game series of 490.

Picadors Start Off with Bang; Win by 18-0

The Miramonte Frosh opened their season with a bang last Thursday, defeating the Freshman team from Las Lomas 18-0.

The Picadors looked good all the way with Bill Hilger, a halfback, leading all scorers with two touchdowns. In the first quarter Bill intercepted a Las Lomas pass on the Knight 25 and returned it to Touchdownland. A short time later, the Picadors began their drive again with Hilger completing it from the 23. Half time score was 12-0.

The third quarter was highlighted by a nice 35 yard off tackle slant by Mario Albo. This effort was thwarted on the next play due to a fumble by the Picadors. The Little Knights found the going tough and had to punt on fourth down. Fullback Laurie Chappel ran the punt back 25 yards and three plays later he packed the mail again for the final 15 yards.

Coach Bob Callan is to be commended for bringing his men along so nicely. "The boys," said Bob, fought hard and deserved this win."

Texaco Wins 3 for Scratch League Tie

Texaco Station won three in the Women's Scratch League games to tie for first place with Holbrook Signal Station.

Team No. 4 won two games to take second place.

High series went to Mary Jamison of Team No. 4 with 503 series.

High game was credited to Jackie Bonham of Golden State with 186.

Of special interest was a triplicate—three games of 120 each, bowled by Val Brunner of Cork and Bottle Liquors.

Napa Marshes to Be Open for Hunting

The North Bay's Napa Salt Marshes will be operated as a public waterfowl shooting area again this year, the California Department of Fish and Game announces.

Hunting on the 5000-acre area will be controlled by the department, under an agreement with the Leslie Salt Company.

A $3 permit will entitle the waterfowler to shooting for the entire season, which will run from tomorrow to January 14.

There is no limit on hunter capacity, and hunters can come back as many times as they wish. The area will be open daily all season.

Spartans Dropped 34-18 By Los Lomas Knights

The Las Lomas Knights won a wild and wooly game from the Pacifica Spartans 35-18 last Friday in their league opener but will have to rise to new heights if they are to remain undefeated after tonight's game with Diablo.

Under the lights of the Concord gridiron the Knights will find themselves weakened by the flu.

COACH GEORGE DeKlotz announced early in the week a long list of those not at practice and doubtful for the Devil game. Quarterback Steve Moore missed last week was back Monday, and out again Tuesday.

Others sidelined earlier in the week were linebacker Tom Broatch, tackle Frank Hood, center Bob Staley, fullback Duane Brown, tackle Dave Weil, quarterback Don Hopkins, center Leroy Carney and punter-tackle Jeff Bowbien.

Diablo has had its share of flu and while they drew a bye last week in league play they showed to advantage in dropping a 26-21 decision to highly rated San Leandro. Earlier they walloped Tech High of Oakland.

Back Gary Casey, quarter Al Allison and speedburner Al Trette pose a problem for the Knights.

THE KNIGHTS' strength will depend a good deal on how many come back from the flu—which like the weather is pretty much of an unpredictable factor.

Though the Knights met a tough one in Pacifica last Friday night they came out on top of a 38-18 decision.

The Knights opened the scoring when defensive half Jim Hemstalk grabbed off an aerial and took it to the Sparta 34. In seven plays the Knights scored and it was Duane Brown who turned the trick going the final two yards over right tackle from the fullback slot.

End Ransome Clark applied the toe for the extra point and he did again on three other occasions.

THE PACIFICA Spartans opened the second quarter in a big way when on the second play hard running halfback Ivan Perkins rambled into the end zone covering 61 yards in the process. The try for point by guard Diego Haro hit the crossbars and was no good.

The Knights hit the score column again in the second period of play with 6:46 on the clock when halfback Cecil Adams punched it over right guard for four yards after a sustained 25 yard drive.

Another intercepted aerial by the Knights' Phil Wirthman in the third quarter put Pacifica in hot water once again. It took five plays to go 62 yards—the final a 25 yard toss from quarter Hopkins to end Clark.

The Knights kicked off and when the Spartans fumbled and lost the pigskin three plays later on the 19, Roger Cowell recovered it was another Knight 6 with Half Pete Ostram going the final yard.

Pacifica came back to score early in the fourth quarter when Perkins broke loose again for 32 yards. Haro kicked wide of the uprights.

The Knights came back for their final TD when Bill Geis, tackle, recovered a lost ball on the Spartan 13.

HEMSTALK drove to the three and Brown found open space outside end as Ostrom threw a key block.

The Spartans still full of fight took the kickoff and rolled on 14 plays, 62 yards and scored.

Famed Driver Signs up for Tomorrow Night

The nation's foremost midget auto race driver, Clark (Shorty) Templeman of Seattle, today signed for the USAC midget national championship race tomorrow night at Contra Costa Speedway near Walnut Creek.

Templeman recently clinched the 1957 national midget points title, the first time a Northwest driver has realized that honor.

According to co-promoters J. C. Agajanian and Jack London, more than 35 nationally-famed drivers are scheduled to bid for the record prize money in the 100-lap main event.

The star studded field will include Johnny Parsons of Los Angeles, 1950 Indianapolis 500-mile champion.

County Schools Prepare 8000 Monthly Checks

It took 84,819 pay checks and 39,836 warrants to "turn the wheels" of Contra Costa County schools in 1956-57, members of the County Board of Education learned from a report on business from the office of County Superintendent B. O. Wilson.

"Even with machine accounting to speed the process, this is no small undertaking, and the volume is increasing every year," commented Wilson. He said the increase over the previous year was 3471 pay checks and 2974 warrants.

The number of monthly checks issued to teachers, bus drivers, cafeteria workers and others throughout the county will soon pass the 8000 mark, the report indicates. Warrants to pay for school supplies, services and construction average nearly 4000 per month.

The office also processed 4101 teachers' credentials and 880 contracts and produced 1081 statistical reports required by state and local agencies.

Holbrook Takes 2 From Park, Shop

Holbrook Signal Station took two games from Park & Shop Cleaners to consolidate their lead 9 games won—3 lost.

Jack Maxon's Texaco dropped two games to Sangs Hous of Miracles to go into second place, with 8 wins 4 lost.

Songs' House of Miracles is in third place with 7 wins 5 list.

High game and series went to Betty Gentry of Jack Maxon's Texaco with (153-156-216)—521.

Mary Jamison of Taylor's Flying A had a 203 game.

Cork & Bottle Liquors came up with an oddity. All four team members bowled an identical series of 379.

Demo Group Preparing For Campaign

"Democratic candidates for political office prefer receiving 100 $5 or $1 contributions than one $500 contribution. In that way a andidate is less likely to be beholden to any special interests."

This is part of the statement released by the Danville Democrats' Dollars - for - Democrats commitee.

Club president Len E. Sandy appointed James Weisend, Marna Stansberry and John Saemann to the co-ordinating committee for Dollars-for-Democrats.

Members of the Danville Democrats will be part of this drive to have funds available for next year's political campaigns. Because of the extensive area covered, many potential supporters may not be contacted. Sandy said anyone who wants to help to contact him or phone Jim Weisend, or mail their contributions to Dollars-for-Democrats, Len E. Sandy, 139 Esther Lane, Danville.

The statement concluded that, "Democratic candidates have a real chance for victory in 1958 if the funds are available to let their side be heard."

Valley Art Center Offers Courses

The Valley Art Center is offering additional classes in contemporary design, beginning jewelry and silk screen because of popular demand.

Lenore Erik-Alt, who taught at the Chicago Art Institute and is now instructing at the University of California, will offer a class in contemporary design starting Tuesday from 10 to 12 a.m. at Orchard Nursery.

Dr. David Harris will instruct a class in beginning jewelry commencing Tuesday, from 7 to 10 p.m. at the Diablo Art Association Workshop.

Silk screen will be taught by Mrs. Rawlings Simon, starting Monday at the Vallecito School library. Six sessions will be given.

While most of the mosaic classes are filled, there are openings for beginners in classes conducted in the Walnut Creek homes of Mrs. Peter Howard, 2385 Walnut Boulevard, and Mrs. Eleanor Condon, 110 Richard Lane.

Viqueens Named At County JC

East Contra Costa Junior College recently held its annual tryouts for Viqueen Pom-Pom girl positions. The freshmen girls who were selected will assume their duties in the fall of 1958.

Out of the forty-nine girls that tried out, eight were selected to be regular Viqueens and two were chosen as alternates. Those selected were: Ann Thomas and Valerie Dexter, Pleasant Hill; Gennalee Higgins, Rodeo; Phylis Wililams, Dianne Evans, Billi Garrett, Nancy Brotsch, all of Concord. Alternates are: Gail Hawkins, Danville and Mary-Lynn Anderson, Walnut Creek.

Judges for the event were: Mr. Erv Metzgar, Student Advisor; Dick Kaye, Associated Students President; Louie Olvera, Pittsburg; Dick Howell, Walnut Creek; Richard Ridley, Antioch, and the 1957 Viqueens.

The present Viqueens are: Dolly Quarrick, Pittsburg; Barbara Maestretti and Barbara Boynton, Antioch; Betty Dwyer, Lu Ann Rendleman and Sharon Murphy, all of Concord.

7-0 Loss Taken by Vikings

The favored East Contra Costa Junior College Vikings dropped their third non-league game of the season, last Friday. The Santa Rosa Bear Cubs scored once in the second quarter to edge the Viks 7 to 0.

The scoring play was made by Santa Rosa fullback Art Blunt from 2½ yards out. He also kicked the PAT.

Viking Coach Jack Danilovich commented after the game that the squad has plenty of spirit but just wasn't able to penetrate the Bear Cub line with a scoring play.

Although the Viks were in scoring position four times they were thwarted by the outstanding defensive line of the Bear Cubs.

Outstanding Vik players were fullback George Darrow of Concord, who carried the ball 17 times, averaging five yards each time, for a total gain of 85 yards; halfback Mike Blodgett of Danville, who carried eight times for a total of 42 yards and halfback Paul Johnson of Concord. He carried 11 times for 35 yards.

Dan Owens was the outstanding offensive and defensive lineman.

Next week the Vikings clash with Shasta Junior College tomorrow night at 8 on the Alhambra High School Field.

Nation's Top Drivers to Enter Midgets

Many of the nation's leading race drivers, including at least one Indianapolis champion, will take part in the USAC midget races tomorrow at Contra Costa Speedway.

Jointly promoted by J. C. Agajanian and Jack London, the show will be highlighted by a 100-lap main event that will count toward the USAC national championship.

The show is open only to Offenhauser. Eighteen cars will be qualified for the 100-lap main. Other events will include four heat races, one final heat and a 15-lap semi main on the one-quarter of a mile dirt oval.

Entries are expected from all sectors of the country. A field of more than 35 drivers is anticipated.

Jayvees Break Even; Pitt Wins, Others Tie up

In opening league play last week the Diablo Devil Junior Varsity and Miramonte Matadors battled to a 6-6 tie Acalanes and Antioch wound up 6-6 while Pacifica and Las Lomas ended 13-13.

Only winner was Pittsburg who ran and passed to a 26-6 win over Pleasant Hill.

Tonight's varsity games feature preliminary (5:45) Junior Varsity tilts.

Miramonte goes to Pittsburg this afternoon at 3:30 for another league J.V. encounter.

Betty Love Stars At Monument

Betty Love of Stone's Men's Wear starred again in the Tuesday Night's Women's Handicap League at Monument Bowl with high games of 172 and high series of 457.

Stone's 3½ point win over Woodside Builders nosed Monument Catering out of first place by one-half point. Monument Girls lost three to Kay's Coffee Shop. Union Ice scored three over Martin Brothers and Yellow Cab and Farr is tied.

'Gaze with Us Into the Ball'

The Contra Costa Section of the Diablo Valley Athletic League gets under way in its second round of play tonight.

Las Lomas travels to Diablo —it's a close one here—both clubs have scoring potential— You have to stick with a winner—Los Lomas 20-13.

The Pleasant Hill Rams versus Acalanes at Acalanes. The Rams were impressed last week. Two good denses with the edge to the Rams. The Rams look good on offense— The Dons spasmodic. Rams 20, Dons 13.

Antioch meets Pacifica and while Pacifica hasn't won a game neither has A9ntioch. Give the nod to Pacifica 20-6.

Matadors-Devils Hit 6-6 Tussle

Miramonte's J.V. football team, vastly improved over last week's setback, was held to a 6-6 tie by the Red Devivls from Mount Diablo High School. The Matadors had more first down (11-4), more yards fained (214-109) and generally more of everything but points.

The Diablo score came in the first quarter when with fourth and three on the opposition 45, Loving, the Diablo quarterback dropped back and flipped a 10-yard pass to his right end, Deeton, and he scampered the final 35 by himself. The point after touchdown was effectively blocked by guard Mike Albo. The score stood 6-0 at the end of the first quarter.

After a defensive battle for most of the second quarter, the Matadors began to move from their own 35 yard line. Fullback Bicky Clifford and Soph Halfback Bruce Hancock were the big guns in the drive with Hancock going over from the six. Quarterback Floyd Blaney's attempted conversion pass to Marc Littlejohn was knocked down in the end zone. The half ended 6-6.

The third and fourth quarters were mainly defensive shows. Diablo posed the only scoring threat with a 60 yard pass completion only to have it called back due to an offside infraction by the Devils.

Outstanding line play was turned in for the Matadors by Tim Crawford who repeatedly dropped the Diablo quarterback for losses on pass plays. Tim was aided by tackle Bill Klement and Soph center Milt Blake.

Of the Matadors continue to improve look for an upset today at the Pirates' Den when they play the Pittsburg J.V.

467 Series Takes Monument High

Dotty Butterfield of Woodside Builders who carries a 120 average rolled a 4677 high series and a 176 for high game in the Tuesday Night's Women's Handicap League at the Monument Bowl.

Betty Love, Stone Men's Wear, was a close second with a 465 series. Monument Catering retains its lead with 13 wins and three losses after taking three points from Martin Brothers.

Yellow Cab and Kay's Coffee Shop lost three to Stone's Men's Wear and Union Ice Delivery. Farr's TV and Woodisde Builders split the four point totals with two points apiece.

SCRAPING BRAKES

If you hear a scraping noise that shows up only during the first one or two brake applications after your car has stood overnight, it may be caused by rust on the brake drums. This formation takes place rapidly, particularly during periods of high humidity. It is not harmful in any way and does not impair the efficiency of the brakes.

Record Crowd Expected at Midget Race

Johnny Tolan, the 1952 national midget-driving champion from Norwalk, Calif., is among five more candidates announced for the 100-lap USAC national champion midget race tomorrow night at Contra Costa Speedway.

Jointly promoted by J. C. Agajanian and Jack London, the midget show is due to attract more than 35 nationally famous pilots. The promoters expect Contra Costa Speedway's attendance record to be broken as USAC (United States Automobile Club) drivers make their first appearance at the local track.

IN ADDITION to Tolan, other new entrants are Bill Garrett, who currently ranks second in USAC national midget standings; Billy Amick, Joe Gerson, Danny Oakes and Bud Clemons.

Among the entries disclosed earlier were those of Johnny Parsons, Los Angeles, the 1950 Indianapolis 500-mile champion, and Clark (Shorty) Templeman, Seattle, who has already clinched the 1957 midget points title.

THERE IS A report that the famed Indianapolis veteran, Tony Bettenhausen, will appear, but Agajanian declines to confirm it until he receives an official entry.

Results in Saturday night's races will count in the USAC national point standings. Other than the 100-lap main event, the card will include the trophy dash, four heat races, the final heat and a 15-lap semi-main.

Avon Ties No. 2 For League Slot

Avon Cosmetics and Team Two are tied with 12 games won and four lost for first place in the Wednesday morning "Pin Pal" league at Monument Bowl.

Navlet's follows close behind with 11 wins and five lost. Almo Jewelers is in third place, Comparoni's Texaco is fourth and Village Union fifth.

Phyl Tyree bowled a 171, the highest game for the day and Wanda Poff had high series of 439.

Jehovah's Witness Set Circuit Meet

Mr. E. V. Conti, presiding minister of the Pleasant Hill congregation of Jehovah's Witnesses, announces that plans have been completed for the Circuit Assembly to be held October 18-20 by the Watchtower Bible and Tract Society at the Richmond Memorial auditorium in Richmond.

Mr. Conti estimates that 120 delegates will attend the 3-day Bible study convention. He adds that over 15 talks plus demonstrations will fill the program.

Mr. Verville Johnson, Circuit Minister serving the East Bay congregations of Jehovah's Witnesses states that there will be a special emphasis on effective house-to-house evangelism, with the view in mind of increasing the number of home Bible studies to be held by Jehovah's Witnesses with interested people. Demonstrations by attending ministers will portray the best study methods.

This winter don't let bad weather tie you down

a dryer will set you free!

You *can* do something about the weather. You can get an automatic clothes dryer and wash and dry *any* time you please. This all-weather convenience means your washing doesn't pile up waiting for the first clear day. No more pins, lines and numb fingers . . . that's the life with an automatic dryer.

What'll a dryer do to your P. G. and E. bill?
It's hard to say right to the penny because it depends on the dryer and how often you wash. But you can be sure any dryer will operate on just a few pennies a load because *gas and electricity are cheap in California.*

Laundry dries better any time... with an automatic dryer!
